

GATEWAY KSA OPENS THE DOOR TO THE KINGDOM OF SAUDI ARABIA

Gateway KSA gives today's best and brightest students, thought leaders and opinion shapers the chance to experience Saudi Arabia from a unique perspective, learning first-hand how the Kingdom is changing and the steps it is taking to achieve its ambitious vision for the future.

This educational program is the first of its kind, bringing together like-minded leaders from educative institutions across the world to generate debate, stimulate discussions and conceive new ideas, with the opportunity to learn from business leaders, local Saudis and each other.

Successful applicants spend nine intensive days exploring this diverse country, encountering everything from millennia-old archaeological sites to cutting-edge science and research facilities.

By bringing open discussions, lectures, reading and site visits together, Gateway KSA offers these leaders a multifaceted approach to learning, driven by authentic, real world experiences.

WHO IS GATEWAY KSA FOR?

Gateway KSA invites a small and diverse cohort of exceptional individuals to undertake a personal learning journey, witnessing first-hand how this vibrant country is changing.

The program is open to individuals from all areas of study who can demonstrate that they will benefit from further understanding the history, culture and future vision of Saudi Arabia, as well as building networks with other individuals and business leaders within the Kingdom.

The Gateway KSA program is fully subsidised with individuals able to apply directly online on the website.
