With huge portable murals of collaboratively-produced illustrations and an engaging narrative...

... the bees will take you on an interactive visual tour of the connections between mountaintop removal, climate change, and the struggle for justice in Appalachia and throughout the world.

Over two and a half years in the making...

The bee hive design collective presents...

The true cost of coal
Mountaintop Removal and the Fight for Our Future

A picture-lecture to be understood by everyone—not just the experts!

Appearing at:
UWGB campus in the Mauthe Center
7:00 Thursday, October 25th

Sponsored by: Enactus, PEAC, EMBI and UWGB Sustainability Committee
Join us for a visual workshop & storytelling on COAL POWER, CLIMATE CHANGE, and SUSTAINABILITY.

Gather 'round a giant collaborative mural mapping out the big picture of the fuel that feeds the American Dream—and what we’re really paying for it. What are REAL ALTERNATIVES for all of us?

Join the Beehive Design Collective with their newest graphic, "The True Cost of Coal."
