Baylor Free Food Events

As one approach to addressing campus hunger at Baylor University the Food Insecurity Working Group, working with Family of Faith Community Church, have developed two periodic events:

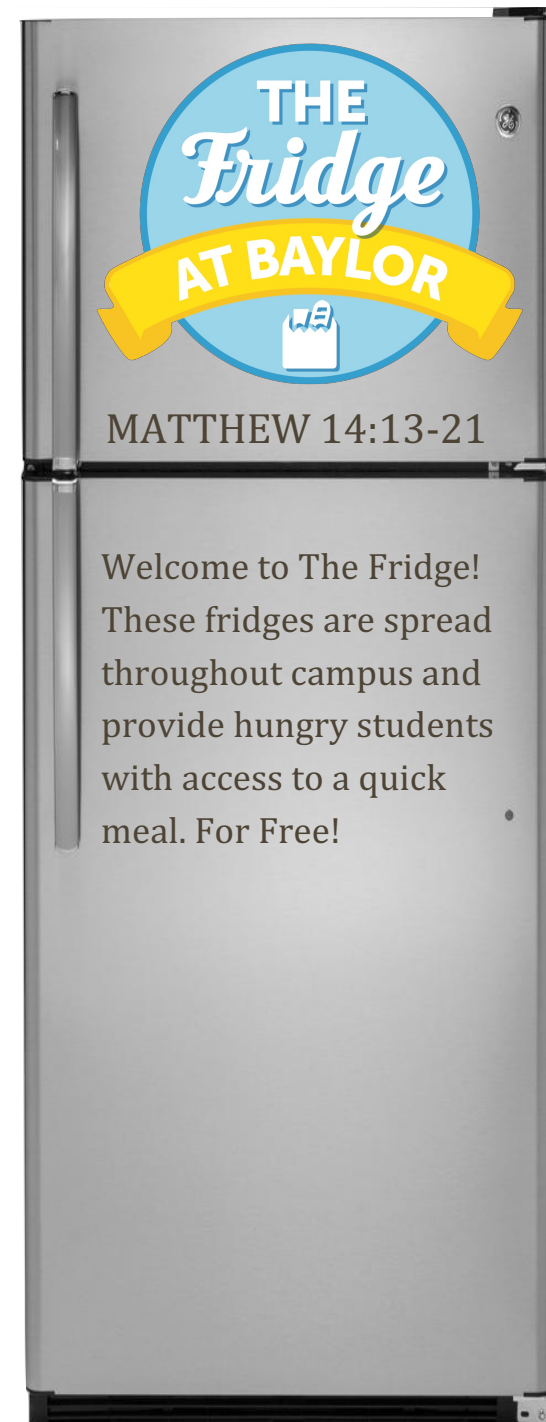

Baylor Free Farmers Market (BFFM)

is a bi-annual event, combining food distribution with efforts to raise awareness about hunger, nutrition, wellness, and other related issues. The BFFM takes place on Fountain Mall across the street from Moody Library!

Baylor Mobile Food Pantry (BMFP)

brings a truck of free fresh fruits and veggies to Baylor students in the 7th & James parking lot once or twice a month.
