

LONON

THE LONON FOUNDATION

The Lonon Foundation is a 501(C)(3) nonprofit that provides support to children who are dealing with the stress and trauma of having a parent or caregiver with cancer.

UPLIFT is The Lonon Foundation's free monthly program for ages 6-16, run by compassionate student volunteers from College of Charleston and the Graduate School of the College of Charleston Master of Science in Child Life Program.

HOW

UPLIFT materials and activities relieve stress, fear, confusion, and anxieties about having a parent with cancer or the loss of a parent from cancer.

WHO

UPLIFT

UPLIFT monthly activities are centered around play to encourage emotional release, creative expression, and exploration of self. The events also provide a space for children to create friendships with others who have had similar experiences.
