Math Talk Questions

How do you know...?

What is another way to look at this problem?

What made you decide to solve like that?

Why did you do it that way?

What are you thinking now?

What is the difference between...?

Math Talk Stems

I agree with _____
because...

I disagree with _____
because...

That is a good
answer because...

I got different results
because...

My strategy is like
yours because...

What I heard you say
was...
