UPDATED: April 17, 2020

ELK GROVE, Calif. – April 17, 2020 – The Elk Grove Unified School District (EGUSD) Food and Nutrition Services (FNS) expands drive-through and grab-n-go meal service for more families and their children and is now at 39 school sites. Today, EGUSD also launched a mobile meal pick-up service program available in a few select areas for those families with limited transportation. Communication about this new mobile service will be sent directly to those families in those areas.

All EGUSD meal services will be available for any child, 18 years and younger, regardless of free or reduced eligibility or school of attendance. Children must be present in order for meals to be provided. Meals will be served between 11 a.m. and 1 p.m. Parents do not need to be present in order for children to receive meals. The meals provided each day will include lunch for that day and breakfast for the following day. The drive through meal service will be present in the parking lot or bus lane at each school site listed below.

Meals are not for consumption on site and children should return to their residence once the meals are received. When waiting for meals please practice 6 feet social distancing. This expanded program will continue until further notice, excluding Saturdays and Sundays.
