

**University of Oklahoma
Society of Petroleum Engineers
Golf Classic – 2018**

The University of Oklahoma, Society of Petroleum Engineers Golf Classic is returning this year! The 16th annual tournament will be held on **Friday, September 7th 2018** at **Winter Creek Golf Course in Blanchard, OK**. As in the past, this year's tournament provides you an opportunity to meet outstanding students and catch up with old colleagues and friends to support OU's student chapter of SPE. We are excited to extend to you this invitation to enjoy a morning on the golf course while mentoring and developing future industry leaders.

The tournament is organized by the University of Oklahoma student chapter of the Society of Petroleum Engineers and serves as our major fundraising event for the year. Our goal is to host an enjoyable tournament to promote interaction among petroleum engineering students and industry professionals.

Funds raised will be used for:

- ❖ Subsidizing OU SPE's student expenses for the SPE Annual Technical Conference and Exhibition (ATCE) held in Dallas, Texas this year, Sept. 24-26, 2018. We are hoping to send a large number of students this year to ATCE, due to OU's proximity to the conference.
- ❖ Subsidizing OU SPE's student expenses for the North American Student Symposium.
- ❖ Lunch and Learns, networking events, and social events throughout the year.
- ❖ Remaining funds will be used for OU SPE's recurring yearly expenses and other OU SPE activities held throughout the school year.

The entry fee is **\$1000 per team** or **\$300 for individuals**. This includes:

- ❖ Green Fee & Cart
- ❖ Practice balls
- ❖ Tee Gift, which includes a gift bag, 3 golf balls/player, & more
- ❖ Food served during the event

We will be giving out \$5,000 worth of prizes after play is completed, awarding the 1st, 2nd, and 3rd place teams.

The tournament is set for a shotgun start at **9:00 a.m.** Please plan to arrive one hour before the tournament for tee assignments. There will be a chance to purchase mulligans or enter our raffle contest the day of the tournament.

The tournament format will be a four-man scramble. For teams desiring extra networking opportunities with students, we will have a list of students available to join a team. **To have a student placed on your team**, leave a blank spot on the entry form, or write in "Student" under 'Player Name.' A list of participating students with their résumés and information will be sent out a few weeks before the tournament. If you are interested in inviting your own students/interns please designate this on the entry form so a student is not placed accidentally.

The tournament is restricted to 36 teams to allow for two teams per hole. This means the slots will be filled on a *first come, first served* basis, so the earlier a team can be formed, the better. In order to make final preparations for the tournament, we would appreciate receipt of your entry form as soon as possible. All entry forms must be received by **Friday, August 17, 2018**.
