Proposing an Amendment to Article 1 of the Constitution, in Relation to the Right to Clean Air and Water and a Healthful Environment

A.2064/S.2072

This legislation proposes first passage of an amendment to the NYS Constitution. This amendment would amend Article 19 of the NYS Constitution to add a new section 19 to read as follows:

§ 19. Environmental rights. Each person shall have a right to clean air and water, and a healthful environment.

Protect the Adirondacks strongly supports A.2064/S.2072 to propose for the people of New York State a new constitutional amendment that provides for all New Yorkers the right to clean air and water, and a healthful environment.
