

PRE-KINDERGARTEN PROGRAMS 2023-2024

Choose up to three childcare sites from around the county in priority order from the following list. The District will place children according to parent choice, if possible. Parents of selected students must participate in an in-person or virtual interview and complete the registration process. Parents/Guardians will be notified of their child's placement status by mail once slots are filled. Notifications will be sent by the end of May 2023.
