This does not make them financially responsible for your education.' Below this box, there is a green vertical bar on the left side of the text area. The text continues: 'Enter information about your parents identified on the prior page, and we'll send an email on your behalf.' followed by 'If they already have a StudentAid.gov account username and password (FSA ID), the information entered here must exactly match that account.' Then, an 'IMPORTANT' note states: 'If your contributor doesn't have a Social Security number (SSN), you may encounter an issue that impacts your ability to add them to your form. If you receive this error, review [this guidance](#) and recommended workaround and try again.' At the bottom, a note says: 'Only the email address does not need to match the email associated with their StudentAid.gov account. Please use the email address that you know is most likely to reach your contributor.'
