Research Guides: <http://umb.libguides.com> are tailored to courses, help topics, & subject areas

Databases & Indexes: <http://umb.libguides.com/az.php> for more general research:

1. From the [Healey Library homepage](#) click on [Databases & Indexes](#)
 - Note: off-campus access will prompt users to enter their last name and library barcode
2. The landing page for Databases & Indexes is the complete A-Z list of library databases
 - Scroll down for **Academic Search Complete**, or...
 - Select “E” and scroll down for **EBSCOhost Databases**, or...
 - Select “J” for **JSTOR**, etc.
3. On a database search screen, enter your **search terms** into the box:
e.g. *“college students” AND stress*
 - Advanced Search can limit results to articles available in Full-Text only, in Peer-Reviewed Journals, by Date Range, by Subject; or search for your terms within specific parts of the article, e.g. Author, Title, Abstract, etc.
4. Search more than one [EBSCOhost database](#) at a time: <http://tinyurl.com/multiEBSCO>

Interlibrary Loan (ILL): http://www.umb.edu/library/interlibrary_loan Request free materials that are not available in the Healey Library catalog or through the searchable databases:
