**YALE
CENTER
FOR
BRITISH
ART**

**Saturdays, 10:30 am-noon
May 17, June 21, and July 19, 2014**

A free program for families with children 5 to 12 years of age on the autism spectrum. Families learn to look and respond to art work in the museum's galleries with a follow-up art project in a museum classroom, and much more. While we have taken into account the needs of individuals with autism in designing this program, it is intended to be fun for parents, siblings, and other relatives too!

Free but pre-registration is required. Please e-mail ycba.education@yale.edu or call 203 432 2858 with your name, number, and a good time to reach you on the telephone. A museum educator will contact you by phone to complete your registration.

This program is recommended by the Autism Parents Community.
