

Subway Picture with Shoe Caught in Door

- What happened? [May need to give support to get the idea of what went on. If student does not know subways or trains, say that it is an elevator that has some seats.]
- How did this happen?
- Did this ever happen to you? [If no, then evaluator tells a short personal narrative about seeing someone get stuck or getting own bag stuck. Then often student has own story.]
- What would you do if this happened to you?
