

The Osei-Bagyina Twi Articulation Test The OB-TAT

This articulation test is available
for free download at
leadersproject.org

Feel free to download and copy

Cate Crowley, J.D., Ph.D., CCC-SLP
Teachers College, Columbia University

This test—the OB-TAT—was developed by Albert Osei-Bagyina, Speech-Language Pathologist, and reflects his decades-long commitment to improving the lives of the people of Ghana with communication disorders and their families.

Adapted by the students, faculty, and clinical supervisors in the program of Communication Sciences and Disorders, Teachers College, Columbia University, New York, NY.

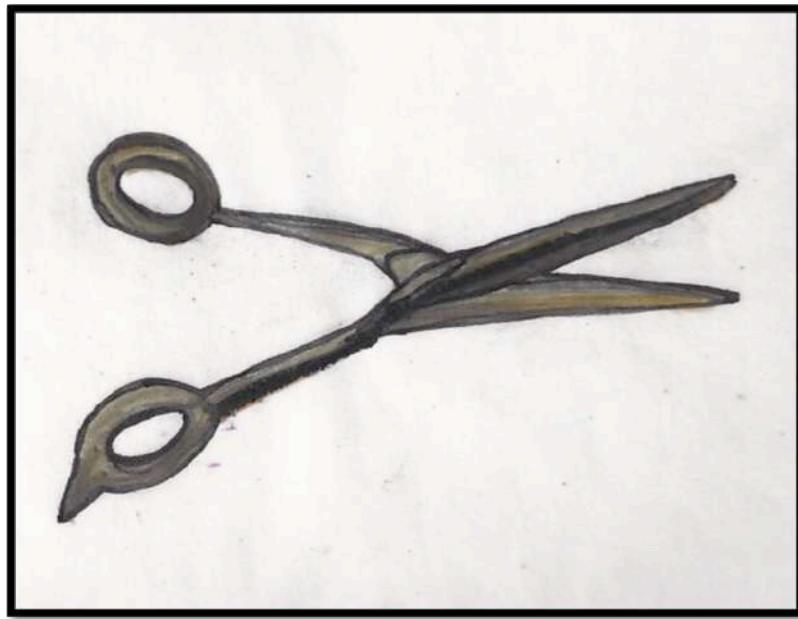

For additional copies or other information contact:

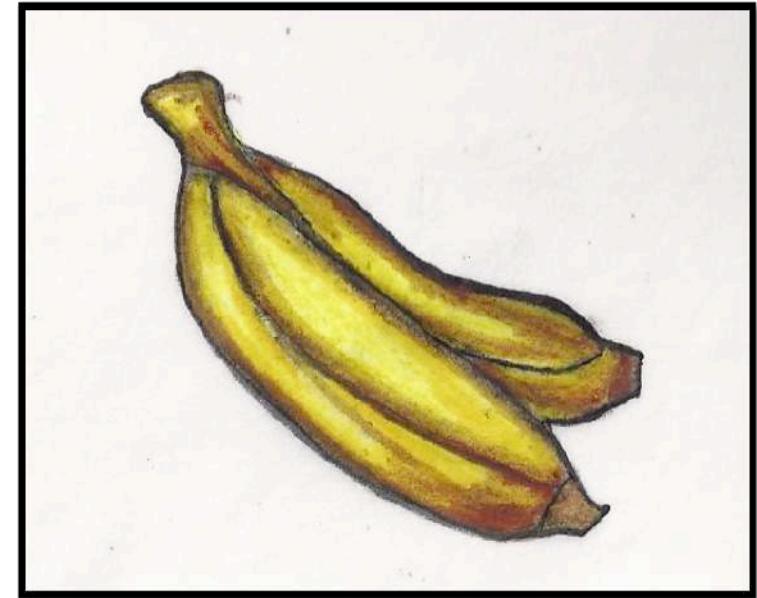

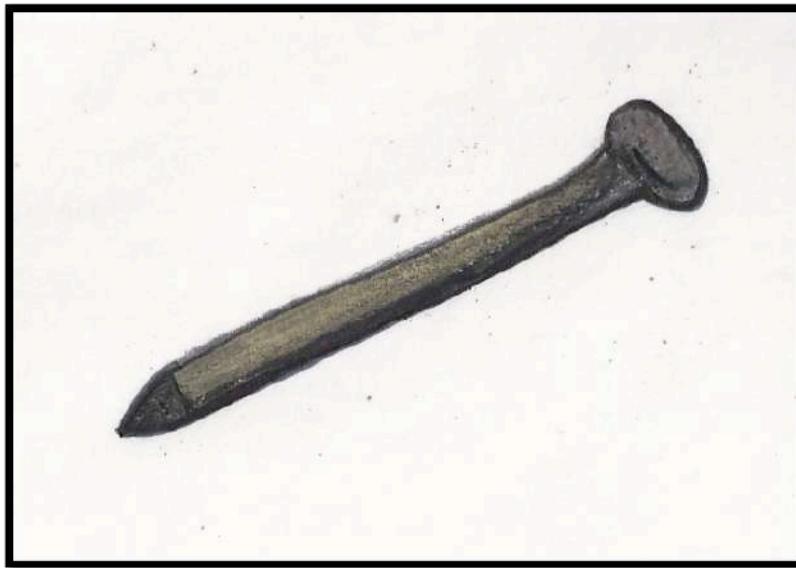

Catherine Crowley crowley@tc.columbia.edu or Miriam Baigorri mb2198@tc.columbia.edu.

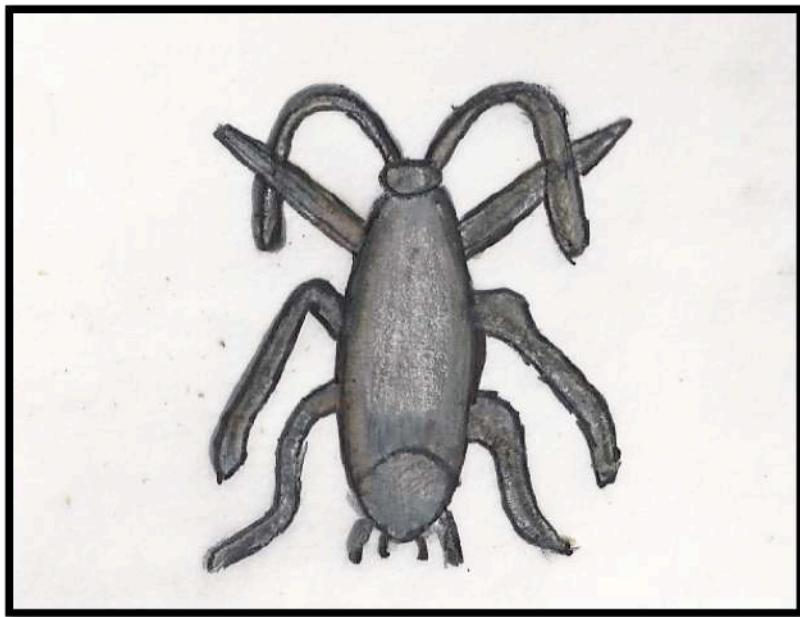

Special thank you to Gracelynn Sandoval
