Faith: Alright thank you, one more thing at the end of the meeting if you are not on the email blast please come up after so you can be added to it and get the minutes and updates on programs.

Athena: Hi guys. I am so happy that you guys are excited to do the riddles on facebook. Make sure you’re answering the riddle on the right minutes on facebook.

SENATE: 9:14
Ann: Hey. So, we had our first official senate meeting this past wednesday the 12th. We reached the forum and we were able to do official business. We are currently only ⅓ of the way full. We can have 31 people, but we only have 11. We are still looking for a rep. For ashokan, bliss, college of liberal arts rep, 2 commuter students, esopus rep, a first year student, a grad student, someone from gage, lenape, ridgeview, the school of education, scudder, shawangunk. If you want to join the senate see me after the meeting. If you’ve come up to me you should be on an email thread. Before every senate meeting I send out an email about the senate meeting. If you’re not on it, make sure you’re on it. The Senate is still meeting every Wednesday at 6:30pm. Totally separate note they’re open to the public, senate is the only student legislative body at new paltz so it’s a big deal that people know what’s going on there. Our minutes are posted on engage as well. We want to be as transparent with you guys as possible. We’re looking at doing a menstrual product initiative. It started in 2019 or 2020, but then it got shut down. Students want to have free, accessible, menstrual products in a couple of the bathrooms around campus. So far we’re working with an individual who is very passionate about it and a take back the night club. A bunch of other clubs are very interested in helping out and the more hands we have on this project the bigger of an impact it can be. <<Riddle: List RHSA hosted committees>>You don’t have to be a part of the senate to do that. Tomorrow outside of HAB and the atrium UUP is holding a rally/press conference aimed at putting pressure on Governor Hochul to fund SUNY better. The price of a higher education has gone up and New York State has flatlined its funding for SUNY which means that when the prices go up our tuition goes up. We’d like it to be if the prices go up the funding goes up. I’m actually going to be speaking there and my job is to make it clear that budget stagnation has significantly decreased our quality of life and education on campus. I’m already throwing it out there that we have mold, our registration sucks, and if you want anything else thrown out there let me know.

Minniewaska: Can you talk about where and how the menstrual thing is?
Ann: I’ve contacted residence life central staff on what they think about it and what they want their involvement to be if any and I’ve set up meetings with the other organizations that want to be involved. Once I get information back from those two meetings I will be able to give you
guys more information. We can figure out how in the world we are going to make this thing happened

NRHH: 9:20  
**Sophia:** Once again collecting emails if you’re interested in joining! It’s rolling applications throughout the entire semester. It’s still a work in progress. We do not even have a meeting time yet.

OLD BUSINESS 9:20  
Motion To Open Old Business: Lenape

CCC 9:20  
**Sophia:** You’re all hosting programs and we’re so excited! Make them count for something! Find PUP Sheets at Hawksites.newpaltz.edu, under hall government dropdown menu, look for hall of the semester for PUP sheet print off. These give you lots of GFP points that count for hall of the semester! (you can also see the running tally of GFPs that every hall has!). Fill out some information about the program, hand them in! Any hall gov member can hand them in to any eboard member can take pup sheets at their office hours, check on RHSA insta! **I’ve gotten 4!** DUE AFTER 2 WEEKS.

Motion to Close Old Business: Lenape  
Second: Mohonk

NEW BUSINESS  
Motion To Open New Business: Capen

RLC 9:23  
**Caroline:** I am excited to announce that registration for the fall regional conference, or RLC, is open! RLC is hosted annually by NEACURH, which is the Northeast Affiliate of College and University Residence Halls. This year, it will take place **virtually** during the weekend of November 18th and 19th. The theme is “blast from the past,” so it will be similar to our y2k spirit week! I will be attending, and you can, too! I am looking for **up to nine** delegates who are interested in learning how to build on their leadership skills within their hall governments and beyond. If you are interested in attending, I have created a JotForm for you to fill out. I would like to have all submissions in before October 25, which is next Tuesday. I will send the link out
through Remind, or you can come up to me at the end of the meeting to scan the QR code. Thank you!

HALLOWEEN IN THE HALLS 9:24
Abby: It is coming up on that time that Halloween in the Halls is looming near. For the first time in a few years we will be fully back in the halls for this event! Essentially, children from the neighborhood will be trick or treating around campus. Children will be able to come inside and “trick or treat” at participating residents' doors. You should know and mark in some way which residents want to participate, have RA’s collect this information for you. RHSA will be providing each hall gov with one bag of candy, but more is normally purchased. It’s fun to decorate your hall/ main lobby for the event as well as dress up. This will take place Sunday October 30th from 12-3pm. We will give you more information and more reminders as we get closer. Any questions?
Mohonk: We’re allowed to dress up too?
Abby: Of course.
Mohonk: Will we be given indicators?
Abby: I believe they’re
Mohonk: How do we get reimbursed for candy?
Abby: You’re treasurer should know this. If not feel free to reach out to our treasurer Mazee their office hours are Wednesday 1-3pm.
Mohonk: Are we allowed to scare the kids?
Abby: These are young kids. So, try not to scare them.
Sophia: There will be an interactive activity in the main lounge.
Bliss: Do we get a list from the RDs of who is participating
Abby: That would be a question for your RD?
Bliss: Can we have peanut candy?
Abby: There can be just make sure to have alternatives.
Bliss: Do we need signatures from the people in the halls who have the stickers?
Abby: Yes.
Bliss: What specifically are we expected to do for halloween in the halls.
Abby: What we invision is the main lobby being decorated for the children who have restrictions. So, the guardians will hopefully be helping them through.
Sion: Even if these guardians are walking around with their children make sure to still ask about dietary restrictions.
Abby: Any more questions for halloween in the halls? 3,2,1 seeing none.

TRUNK OR TREAT 9:31
Abby: Going along with our Halloween in the halls event, we are working with New Paltz Auto Club for their yearly trunk or treat event! It will be occurring in the Ridgeview parking lot
starting at 1 pm, so be sure to direct people to that event as well! The flier will be attached to the minutes.

Cindy: The AWC is also doing a trunk or treat in the gravel parking they’re collaborating with us as well. Also, if you have a big hall gov. Participation for halloween in the halls make sure to guide the children

Ann: Be mindful that you might interact with kids who have mobility aids. Be prepared for all kinds of kids.

Abby: Any more questions?

SUCCULENT BUZZ 9:33

Caroline: Our next Buzz event is here! Succulent Buzz will be taking place on Friday, October 28th from 7 pm – 9 pm in SUB 402! There will be opportunities to plant seeds, decorate pots, and even win some prizes! The shirt design will be announced in the time coming up to the event. Hope to see you all there!

Abby: That is a time and date change from when we last told you about succulent buzz.

Mohonk: What is that?

Abby: They’re these little tiny plants. We’re giving you the opportunity to decorate their pots and plant some seeds.

DRAG SHOW 9:35

Athena: Hey everyone! Coming soon after our succulent buzz we are going to be having a Drag Show! Kings and Queens of New Paltz will be joining us and helping out! So, make sure you join us Friday — November 4th — in the SUB MPR at 7 to support our lovely kings and queens!

HALL CONCERNS 9:38
Abby: If there's something wrong in your hall that you have already talked to your RAs, SRA, and RD about and nothing has been done, now is your time to tell us.

Lenape: On our hall government door we put a hall concerning things. I brought them here. Our washers keep breaking down. Our oven is still really bad. Our parking lot is still annoying and always full.

Abby: I will reach out about the oven.

Ryan: About the washing machines you can put a work order for it.

Abby: When your stuff is broken I suggest using the app for washing machines.

Abby: Any more hall concerns. 3,2,1 seeing none.

STUDENT CONCERNS 9:41

Abby: If you have general concerns for things going on campus-wide (something’s broken, wrong, administrative concerns, faculty concerns), this is your moment to tell us so we can relay the information to the administration. However, if you have any food concerns (type, quality, price, location), we will not hear them at this point but you can email us at rhsa@newpaltz.edu. Our Food Concerns meeting will be held on Monday Oct 24th.

Mohonk: I’m worried there is a lack of jobs on campus. Some of them get filled up so quickly.

Abby: I know that I can look into that. There is an issue with setting aside a certain amount for work study assistant roles. I can look into employment on campus.

Mohonk: My roommate received work study, but she is not hearing back from anyone about it. I’ve heard they do not have any open slots and the website isn’t working.

Capan: I was speaking to a student in my building and she was speaking about how hard it is for people to go around campus with her crutches. With the doors there’s no ramp or anything. When you go down to the lecture classes because they would have to go all the way around.

Ann: Can you take pictures of where the doors do not have accessible buttons? It’s the same thing if you’re noticing that walk ways are not shoveled or dealt with properly.

Chair.newpaltzsa@gmail.com

Esopus: The accessibility buildings inside and outside of esopus are broken.

Bliss: I was wondering if the workers in the dining hall could be more polite because one time they were shifting.

Ann: On the topic of accessibility is that the DRC receives a lot of complaints about advertising and that they are not accessible. We want simple, but nice posters with high contrast fliers that are bold and visible. So, people with vision issues can see it. Advertise in the most accessible ways.

Abby: We also got the tip to put a less flashy poster next to it with the visible information on it.

OPEN FLOOR: 9:47

Abby: If you have a program, meeting or any other announcement that you would like to share with the Associate Council, now is your time to share! Are there any open floors?

Lenape: We have a nightmare before christmas event tomorrow at 7pm with various popcorns
Capen: We have a three level movie event this Saturday at 8pm.
Shawangunk: Movie night the 20th at 8:00pm

PASSING OF MOLLY THE MOOSE 9:48
Abby: Where is Molly?
Mohonk: So, Molly went home for fall break. She used her metrocard, read a magazine, and went pumpkin picking and got a pumpkin.
Abby: The moose goes to esopus

QUOTE OF THE WEEK 9:50
Sophia: since it is the late comedy legend Norm Macdonald’s birthday today, here’s a quote from him. “I wouldn’t call myself a fan of steampunk, but I will say it is the healthiest way to prepare punk.”

ADJOURNMENT 9:51
Motion To Adjourn the Meeting: Capen
