

PLATES FOR PITTSBURGH

IUP Let's make a difference!

Working With Jubilee Soup Kitchen feeding the hungry

Jubilee Kitchen started in 1979 to feed the poor, three hundred sixty-five days a year and ever since our doors have been open to serve anyone who goes. With Covid-19 it is not possible to cook and serve the food in the kitchen ourselves. But we are able to make fresh warm meals here at IUP and drop off donations to provide meals as well.

Can't Cook?
Taking food,
and Venmo
donations.
