DOG in Washington Square Park

Tian Lan

# SUBJECTIVITY

- Hi, there! My name is Tian, I am a dog.
- I need to drink water 10 times a day
- I would love to have snacks while I am having fun
- I am the lord of my garden, you can smell it out
- I love to run and hang out with friends! Though some of my peers are anti-social and they just settle themselves somewhere chill and nice
- I get sick when it is too hot
- Yellow and Blue attract my eyes
- I killed two cats in my life
