

Broward College Central Campus Physical Sciences Laboratories

EMERGENCY UTILITY SHUT OFF

- ❖ Use only in the event of an emergency.
 - ❖ Such as spill, evacuation, etc.
 - ❖ Controls the gas, water, and electric to the lab.
 - ❖ Must be on for anything to work in the lab.
 - ❖ If it is off and must be turned on, the alarms will sound on the fume hoods momentarily.
-
- ❖ To shut down – hit the red button.
 - ❖ To turn on – use your Safety Key.

EMERGENCY EXHAUST FAN

- ❖ Use only in the event of an emergency.
 - ❖ This fan is used to quickly ventilate the lab.
-

- ❖ Punch in the red button to turn the exhaust fan on.
- ❖ Pull out the red button to turn the exhaust fan off.
