

| <u>DATE</u> | <u>EXERCISE</u> | <u>TOPIC</u>                                                       |
|-------------|-----------------|--------------------------------------------------------------------|
| 1/14        | 1               | Body Organization & Organ Systems <i>(Assigned as homework)</i>    |
|             | 2               | Introduction & Microscopy                                          |
| 1/21        | 2               | Microscopy                                                         |
| 1/28        | 3               | Cell Anatomy & Division                                            |
| 2/4         | 4               | Cell Permeability & Transport                                      |
| 2/11        | 5               | Histology                                                          |
| 2/18        | 5               | Histology (continued)                                              |
|             | 6               | Integumentary System                                               |
| 2/25        | 7               | Introduction to the Skeletal System                                |
|             | 8               | Axial Skeleton                                                     |
| 3/4         | 9               | Appendicular Skeleton                                              |
|             | 10              | Joint Anatomy & Function                                           |
| 3/11        | --              | <b>No Classes- Spring Break</b>                                    |
| 3/18        | --              | <b>Midterm Practical Exam</b>                                      |
| 3/25        | 11              | Introduction to Skeletal Muscle                                    |
|             | 12              | Skeletal Muscle Gross Anatomy                                      |
| 4/1         | 12              | Skeletal Muscle Gross Anatomy                                      |
| 4/8         | 13              | Introduction to the Nervous System                                 |
|             | 14              | Spinal Cord, Spinal Nerves, Reflexes, and Autonomic Nervous System |
| 4/15        | 15              | Brain and Cranial Nerves <i>(Including Sheep Brain Dissection)</i> |
| 4/22        | 16              | Special Senses <i>(Including Cow Eye Dissection)</i>               |
| 4/29        | --              | <b>Final Practical Exam</b>                                        |
