	Score
AIMS + STRATEGY	
<u>SIGNIFICANCE</u> Does the project address an important problem in the rehabilitation field? If the aims of the project are achieved, to what extent will scientific knowledge, technical capability, and/or clinical practice be improved in rehabilitation?	
<u>INVESTIGATOR</u> Is the principal investigator well-suited to lead the project? If an emerging investigator, do they have appropriate experience and training? If established, have they demonstrated an ongoing record of accomplishments that have advanced the rehabilitation field?	
<u>INNOVATION</u> Does the application challenge and seek to advance current rehabilitation research or clinical practice paradigms by utilizing novel theoretical concepts, approaches or methodologies, instrumentation, or interventions?	
<u>APPROACH</u> Are the overall strategy, methodology, and analyses well-reasoned and appropriate to accomplish the Specific Aims of the project?	
<u>ENVIRONMENT</u> Does the applicant have adequate institutional support, equipment and other physical resources available to complete the project proposed?	
WORKSHOP GOAL STATEMENT	
Does the applicant make a strong case for how attending WISH will lead to the successful pursuit of funded HSR or implementation research in rehabilitation? Does the applicant clearly indicate how health services research and/or implementation science methodologies will advance their current research trajectory?	
RESEARCH CONCEPT AND FUTURE INTENT	
Is the research concept articulated in the application feasible to work on throughout the workshop - and is the applicant seriously interested in conducting this research or submitting the proposal for funding?	
SUBMITTED PROPOSALS	

Has the applicant previously submitted proposals as PI? Does the applicant have sufficient grantsmanship experience to actively engage in WISH activities and benefit from WISH mentorship?
