
Seminar on Graduate School Applications

Thursday October 14th, 2021; 5:00 – 6:30 p.m. EDT (Virtual)

Let us help you prepare for your graduate school application!

If you are interested in learning more about obtaining a Master's degree or PhD, then come learn the "do's and don'ts" of graduate school applications. This session will cover the basics of applying to graduate school as well as share tips for making your application competitive for admission.

Come learn about the graduate application process from some of the top Engineering Graduate Programs in the country!

Sponsored by:

Georgia Tech, University of Michigan, Northwestern, Ohio State, and Purdue University
