School of History and Sociology
Georgia Institute of Technology
221 Bobby Dodd Way
Atlanta, GA 30332-0225
USA

EMPLOYMENT

2017 - Pres. Associate Professor of Sociology, Georgia Institute of Technology
2011 – 2017 Assistant Professor of Sociology, Georgia Institute of Technology
2010 – 2011 Full Time Instructor, Kennesaw State University
2004 – 2008 Graduate Research Assistant, Stanford Center for Biomedical Ethics
2003 – 2004 Center for Disease Control and Prevention ASPH Research Fellow
2002 – 2003 Research Assistant, Genomics Outreach to Minorities, Univ. of Washington
1995 – 2001 Senior Research Associate, Dept. of Molecular Biology, Genentech, Inc.
1993 – 1995 Biochemical Technician, Cell Culture Operations, Genentech, Inc.

EDUCATION

2010 Ph.D. in Sociology, University of California, San Francisco.
2003 M.P.H. in Public Health Genetics, University of Washington, Seattle.
1993 B.S. in Biological Sciences, California Polytechnic State University, San Luis Obispo

RESEARCH AND TEACHING INTERESTS

Qualitative Research Methods	Race, Medicine, & Science	Health Inequities
Sociology of Medicine & Health	Sociology of Science & Technology	Intersectionality
Science, Technology and Society	Biomedical Ethics	Autism
Health Social Movements	Genomic Science	

BOOKS

2016 Singh, Jennifer S. *Multiple Autisms: Spectrums of Advocacy and Genomic Science*. Minneapolis and London: University of Minnesota Press.

Reviewed in *Contemporary Journal of Sociology*, *British Medical Journal*, *New Genetics and Society*, *Social History of Medicine*, *Sociological Inquiry*, *Annals of Science*, *Sociology of Health and Illness*, *American Journal of Sociology*, *Contemporary Sociology*, *Configurations*, *History of Psychiatry*, *The Oral History Review*, *Disability and Society*, and *History of Medicine and Allied Sciences*.

MANUSCRIPTS IN PROGRESS

Wagner, S., Rubin, IL, and Singh, JS. “Underserved and undermeasured: a mixed method analysis of family centered care and care coordination for low-income minority families of children with autism spectrum disorder” (under revise and resubmit second review – *Journal of Autism and Developmental Disorders*)

Singh, Jennifer S. “I Got a Lot of Closed Doors”: The Intersectional Veil of Autism Service Inequities (In preparation for Social Science & Medicine, submitted to 2021 ASA Conference)

Singh, Jennifer S. “Balancing Work and Family: Black Caregiver Experiences of Raising a Child with Autism” (Paper Accepted to 2020 ASA Conference)

Singh, Jennifer S. “Therapeutic Life, Therapeutic Loss: The Contours of Unequal Access to autism services” (In preparation)

Singh, Jennifer S. “You can’t whip autism” – Stigma of Mental Health in Black Communities (In preparation)

TEACHING EXPERIENCE

Courses Taught at Georgia Institute of Technology

Introduction to Sociology (Undergrad)

Sociology of Science (Undergrad)

Seminar in Medicine, Health and Society (Undergrad)

Special Topics: Health Inequalities – Service Learning Course (Undergrad)

Sociology of Medicine & Health (Undergrad and Graduate) (Service Learning 2017- 2020)

Race, Medicine, & Science (Undergrad) – Service Learning and Linked with BMED 3600
Social Studies of Science and Technology (Graduate)
Social and Cultural Studies of Biomedicine (Graduate)
Socio-Historical Research Methods (Graduate)

Courses Taught at Kennesaw State University

Introduction to Sociology (Undergrad)
Social Organization (Undergrad)
Society, Community and Health (Undergrad)

HONORS AND AWARDS (Last five years)

- 2020 Executive Vice President for Research (EVPR) Rapid Response Funding (\$1,200). “The Social and Economic Impacts of COVID-19 among Low-Income African American Caregivers of Children with Developmental Disabilities.” Principle Investigator.
<https://projects.research.gatech.edu/project/social-and-economic-impacts-covid-19-among-low-income-african-american-caregivers-children>
- 2020 Digital Integrative Liberal Arts Center (DILAC), Grant (\$19,500). “Visualizing Autism Service Disparities in Metro Atlanta.” Principle Investigator. <https://dilac.iac.gatech.edu/node/71>
- 2019 10 x 10 x TECH: 100 of the Institute’s Most Fascinating People: Teacher – Featured in the 2019 Georgia Tech Alumni Magazine, Fall 2019.
https://issuu.com/gtalumni/docs/vol95_no3_low_res
- 2019- 2020 Georgia Tech Emerging Leaders Program
<https://provost.gatech.edu/emerging-leaders>
- 2019 Georgia Power Professor of Excellence Award
<https://hsoc.gatech.edu/news/item/627240/jennifer-singh-named-georgia-power-professor-excellence>
- 2019 Serve, Learn, Sustain (SLS) Award for Excellence in Sustainability Teaching
<https://serve-learn-sustain.gatech.edu/professor-jennifer-singh-winner-2019-sls-award-excellence-community-engaged-sustainability-teaching>
- 2019 Serve, Learn, Sustain Grant to develop Community Health-Linked course between HTS 3088 and BMED 3600 (\$3,000)
<https://bme.gatech.edu/bme/linking-biomedical-engineering-and-sociology>
- 2019 Thank a Teacher Award, Georgia Institute of Technology
- 2019 Healthy Heart Coalition Heart of Champions Award – for SLS collaborations
- 2019 Georgia Tech Foundation International Travel Grant, International Society for Autism Research Annual Meeting, Montreal, Quebec Canada (\$2,500).
- 2018 Ivan Allen College Small Grants for Research, Georgia Tech (\$15,000)
- 2018 Serve, Learn, Sustain Grant to develop Community Health-Linked courses (\$1,000)
- 2017 Georgia Tech Foundation International Travel Grant, American Sociological Association Annual Meeting, Montreal, Quebec Canada (\$2,500).

- 2017 Service, Learn, Sustain Grant to Develop Community Service Learning Component in Sociology of Medicine and Health Course, (\$4,000).
- 2016 Georgia Tech Foundation International Travel Grant, Society for Social Studies of Science Conference, Barcelona, Spain (\$2,600)
- 2016 Children’s Healthcare of Atlanta Pediatric Research Center Grant (\$50,000). “Assessing Quality of Care in a Community-Based Autism Clinic.” Co-PI.

ACADEMIC PRESENTATIONS (Last five years)

Invited Presentations

- 2019 Singh, Jennifer S. “Multiple Autisms: Spectrums of Advocacy and Genomic Science” Keynote speaker for the conference “Autism, Genetic, & Identity: Exploring the Complexities of Autism Genetics Research.” Columbia University, June 11, 2019.
<http://braingenethics.cumc.columbia.edu/autism-genetics-identity/>
- 2018 Singh, Jennifer S. “Navigating Autism Services in a Structurally Unequal Society.” Presented at University of Massachusetts, Amherst, Psychological and Brain Sciences and The Boltwood Project. October 21, Amherst, MA.
- 2018 Singh, Jennifer S. “Intersectional Inequities: Structural Constraints of Navigating Autism Services.” Presented at The Five College Women’s Study Research Centers in collaboration with the Women, Gender and Sexuality Studies at University of Massachusetts, Amherst. October, 19, 2018, South Hadley, MA.
- 2017 Singh, Jennifer S. “Navigating Autism at the Intersection of Race, Class, and Gender.” Presented at U.C. Merced Sociology Colloquium Series, Sept. 15, Merced, CA.
- 2017 Singh, Jennifer S. “Structural Inequalities in ASD Diagnosis and Services at the Intersection of Race, Class, and Gender.” Presented Webinar for International Society for Autism Research Summer Institute Series, August 17. Available at <http://www.autism-insar.org/page/Singh>
- 2017 Singh, Jennifer S. “Assessing Quality of Care in a Community- Based Autism Clinic.” Presented at the Autism Advisory Committee, March 30, Georgia State University, Atlanta, GA.
- 2017 Singh, Jennifer S. 2017. “Navigating Intersectional Research.” Presented on Panel: [Intersectionality: A Grant-Thinking Workshop](#) at the Critical Juncture Conference: The Intersections of Race, Sexuality, Gender, and Disability, Emory University, March 17, Atlanta, GA.
- 2017 Singh, Jennifer S. “Intersectional Inequalities in Autism Diagnosis and Services.” Invited to present at the James Weldon Johnson Institute for the Study of Race and Difference Colloquium Series at the Emory College of Arts and Sciences, February 13, Atlanta, GA.
- 2016 Singh, Jennifer S. “Multiple Perspectives in Autism Genetics Research.” Presented at the Atlanta Autism Consortium Symposium, Emory University, Sept. 22, Atlanta, GA.

- 2016 Singh, Jennifer S. "Multiple Autisms: Spectrums of Advocacy and Genomic Science." Presented at the [Autism Conference and Expo of Georgia](#), April 15, Peachtree City, GA.
- 2016 Singh, Jennifer. 2016. "Multiple Autisms: Spectrums of Advocacy and Genomic Science." Presented at the Georgia Leadership and Education in Neurodevelopmental Disabilities Seminar, Georgia State University, April 1, Atlanta, GA.

Presentations

- 2020 Singh, Jennifer "Social and Structural Barriers to Autism Services among Single Black Female Caregivers." Paper presented at the American Sociological Association Meeting, San Francisco, California, Aug. 9, 2020 (Virtual).
- 2019 Singh, Jennifer. "Ethical Care in the Context of Constrained Choices." Paper presented at the Annual Meeting of the Society for Social Studies of Science, September 7, 2019, New Orleans, LA.
- 2019 Singh, Jennifer. "Narratives of Navigating Autism Services among Low-Income African American Caregivers." Paper presented at the Atlanta Autism Consortium: Break the Cycle of Autism Disparities: A Panel Discussion on Autism Equity. Emory School of Nursing, Atlanta, GA. Sept. 10, 2019.
- 2019 Singh, Jennifer. "Autism Inequalities at the Intersection of Race, Social Class, and Gender." Paper presented at the Annual American Sociology Association Meeting, August 13, 2019, New York, NY.
- 2019 Singh, Jennifer S. "Structural Inequities and Autism Disparities." Paper presented at the International Society for Autism Research Meeting, May 4, 2019, Montreal, Quebec, Canada
- 2019 Singh, Jennifer S. and Leslie Rubin. "Evaluation of a Community-Based Autism Clinic in Atlanta, Georgia." Poster presented at the International Society for Autism Research Meeting, May 4, 2019, Montreal, Quebec, Canada
- 2018 Singh, Jennifer. "Single, Black, and Female: Intersectional Accounts of Navigating Autism Services." Paper presented at the National Women's Studies Association Meeting, November 8, 2018 Atlanta, GA.
- 2018 Singh, Jennifer. "Intersectional Narratives of Navigating Autism Services." Presented at the Annual Meeting of the American Sociological Association, August 12, 2018, Philadelphia, PA.
- 2018 Singh, Jennifer. "Intersectional Narratives of Navigating Autism Services." Paper presented at the International Society for Justice Research Annual Meeting, July 26, 2018, Emory University, Atlanta, GA.
- 2017 Singh, Jennifer. "How do Black Lives Matter in Biomedical Research, Teaching and Practice?" Panel discussion representing the Working Group on Race and Racism in Contemporary Biomedicine at the National Women's Studies Association Annual Meeting, November 18, 2017,

Baltimore, MD.

- 2017 Singh, Jennifer. “Alternative Ways of Knowing: Black Caregivers of Children with Autism. Paper presented at the Annual Meeting of the Society for Social Studies of Science, September 2, 2017, Boston, MA.
- 2017 Singh, Jennifer. “Autism Inequalities: An Intersectionality Approach.” Paper presented at the Annual Meeting of the American Sociological Association, August 15, 2017, Montreal, Quebec Canada.
- 2017 Singh, Jennifer. “Narratives of Structural Inequalities: Alternative Caregiver voices Navigating Autism Services.” Invited to present at the Annual Meeting of the Society for the Study of Social Problems, August 11, 2017, Montreal, Quebec Canada. Featured SSSP abstract: https://www.sssp1.org/index.cfm/m/569/locationSectionId/0/Featured_Abstracts
- 2017 Singh, Jennifer and Rubin, Leslie. “Autism Disparities: Assessing Quality of Care and Structural Barriers to Diagnosis and Services.” Poster presented at the Southeastern Pediatric Research Conference, Georgia Aquarium, June 9, 2017, Atlanta, GA.
- 2017 Singh, Jennifer. “Intersectional Inequalities to Autism Diagnosis and Services. Invited to present at the Annual Eastern Sociological Society, Feb. 23, 2017, Philadelphia, PA.
- 2016 Singh, Jennifer. “Simplex Families, Complex Exchanges: Participation in an Autism Genomic Database.” Paper presented at the Annual Meeting of the Society for Social Studies of Science, September 3, Barcelona, Spain.
- 2016 Singh, Jennifer. “Parenting Work and Autism Trajectories of Care.” Presented at the Annual Meeting of the American Sociological Association, August 23, Seattle, WA.
- 2016 Singh, Jennifer. “Parenting Work and Trajectories of Care – How Parents Develop a Sense of Personhood and Future Possibilities for Children with Autism.” Poster presented at the Annual International Meeting for Autism Research, May 14, Baltimore, MD.

PROFESSIONAL SERVICE

Moderator, Experiences of Black STEM in the Ivory: A Call to Disruptive Action, June 15, 2020 (Virtual). <https://news.gatech.edu/2020/07/13/tech-voices-discuss-black-scholars-stem>

Organized and Presented Panel on Autism Disparities in Georgia, May 13, 2020, Autism Conference and Expo, Georgia State University, Center for Leadership in Disability (Virtual). <http://ga-autismplan.com/docs/>

Convened and Chaired Break the Cycle of Autism Disparities Panel, September 10, 2019, Emory University and the Atlanta Autism Consortium, Atlanta, Georgia.

Convened and Chaired INSAR Pre-Conference Cultural Diversity Panel “Autism Disparities among Racial and Ethnic Diverse Communities in the U.S.”, May 1, 2019, Montreal, Quebec, Canada.

Co-Founder, Autism Disparities Special Interest Group (September 2018-present)
Interdisciplinary and cross institute group focused on raising awareness of and research on autism disparities in Georgia.

Chair, Race and Racism in Contemporary Biomedicine Working Group (August 2018-2019). Organized and convened meetings, workshops and symposia with the working group to identify a strategic plan and future interdisciplinary and cross-institution research focused on historical and contemporary racial issues in biomedicine.

Convened and Chaired 3 Panel Sessions: Sensitizing STS Analyses of Autism Spectrum Disorder at the Society for Social Studies of Science. September 2, 2017, Boston, MA

Convened and Chaired IMFAR Panel Session: Understanding Cultural Differences in Diagnostic and Treatment Services for Children with ASD at the International Meeting for Autism Research. May 14, 2016, Baltimore, MD.

Member, Race and Racism in Contemporary Biomedicine Working Group (2015 – 2019) – A cross-institution and multidisciplinary working group in Atlanta, GA. We meet one evening every month and schedule quarterly speaker events. I have also presented the group’s work at two conferences: The Politics of Health in the U.S. South Conference held at the Center for Medicine, Health, & Society, Vanderbilt University, Nashville, TN, April 2016 and The National Women’s Studies Association, Baltimore, MD, November 2017.

Council Member, American Sociology Association - Science, Knowledge and Technology Section (2016 – 2019). Co-Chair of Communications Committee – Designed and implemented on-line newsletter. See: <https://us17.campaign-archive.com/?u=939584461be983cc6b9d8d5fe&id=9b473004c1>

Book Manuscript Reviewer

University of Minnesota Press, University of Chicago Press, Polity Press, University of Washington Press, Routledge

Journal Manuscript Reviewer

Sociology of Health & Illness, Biosocietes, Social Science and Medicine, Science, Technology and human Values, Qualitative Health Research, Journal of Autism and Developmental Disorders, Catalyst, Feminism, Theory, Technoscience, New Genetics and Society, American Journal of Bioethics, Social Studies of Science, PLOS One

Grant Proposal Reviewer

(Panel and ad-hoc reviewer) National Science Foundation, STS Program and Ethical and Responsible Research Panel, Wellcome Trust Foundation.

SCHOOL, COLLEGE AND UNIVERSITY SERVICE

School of History and Sociology

HSOC Speaker’s Committee (Chair) (2018-2020)

HSOC Undergraduate Committee (2017-2020)

HSOC Search Committee, Sociology (2018-2019)

HSOC Promotion and Tenure Reading Chair (2018)

HSOC Speaker's Committee (2017-2018)

HSOC Search Committee, HSOC Chair (2016 - 2017)

HSOC Executive Committee (2012 – 2014), (2016-2018)

HSOC Search Committee, Sociology (2 positions) (2015-2016)

Invited and hosted speaker for HSOC Speaker Series (2015, 2013)

HSOC Search Committee, Homer Rice Chair in Sports Studies (2012)

Speaker, "Redefining Autism through a Genetic Lens," HSOC Speaker Series (November 2012)

Speaker, "The Vanishing Diagnosis of Asperger's Syndrome: Identity Construction Based on Diagnosis and Everyday Life Experiences," HSOC Speaker Series (September 2011)

Ivan Allen College

IAC Strategic Planning Research Committee – Subcommittees: Diversity, Equity, Inclusion and Mental Health; Community Engagement and Impact (Fall 2020 – May 2021)

Advisory Board Member – Digital Integrative Language Arts Center (DILAC) (Spring 2020 – present)

Speaker, "Contours and Constraints of an Autism Genetic Database," Presented on the STS Faculty Panel designed to bring STS faculty and graduate students together. October, 24, 2018, Georgia Tech.

Guest Lecturer, LMC 8001 – Graduate Research Methods in Digital Media (since 2020)

Volunteer, Fall 2017 Master's Ceremony Commencement

Steering Committee, STS Graduate Certificate (since 2017)

STS HSOC Liaison for STS Graduate Certificate (since 2016)

Reviewer, IAC Small Grants Research (2016, 2017, 2019, 2020)

Judge, IAC Graduate Student Paper Competition (2013, 2016, 2018, 2019, 2020)

Judge, Undergraduate Research Symposium (2012, 2015, 2017)

Guest Lecturer, LMC 6743 Science, Technology, & Society: Core Seminar (since 2013)

Organized panel for Innovation and Collaboration in Liberal Arts, Sciences, and Technology (ICLAST): Bioethics (September 2015)

Speaker, "Narratives of Participation in Autism Genetics Research," ICLAST: Bioethics, (September 2015)

Speaker, "Autism Genomes in the Cloud: The Influence of Parent Advocacy on Open Science," Workshop on Original Policy Research, School of Public Policy (September 2015)

Panelist, "Medicine and Health: Expanding Access and Assessing Disparities," Symposium on Opportunity and Assess Research (September 2013)

IAC Founder's Day Legacy Awards Committee (2012)

Panelist, Research Roundtable on "Health and Humanitarian Goals," IAC Founders Day (March 2012)

Discussant, Women's Awareness Month Event – Speaker, Margaret Edson, the Pulitzer Prize winner of the play *Wit*. (March 2012)

Georgia Tech University

Moderator, 17 Zooms Event - UN Sustainable Development Goal (SDG) 3: Good Health and Well-Being, October 1, 2020 (Virtual). Moderated 10 person panel on how GT can be a stronger anchor institution regarding local and regional sustainable development. Participated in the synthesis of data collected and drafted the final report for SDG Goal 3. <https://spp.gatech.edu/news/item/639979/ivan-allen-college-faculty-students-participate-zooms>

Committee Member, Institute Undergraduate Curriculum Committee (IUCC) (Fall 2020 – present)

Faculty Advisor for Undergraduate Public Health Association (2017-present) - invited CDC Global Health Professional to speak in November 2018. Organized Hands Only CPR training for Public Health Week at Georgia Tech.

Faculty Advisor for Buzz Mobile Health (Fall 2020 – present)

Presenter, Health Systems: The Next Generation - Presented research poster, "Evaluation of a Community-Based Autism Clinic in Atlanta, GA", Georgia Tech - Center for Health and Humanitarian Systems, Nov. 12, 2019.

Speaker, "Autism Disparities: Assessing Quality of Care and Structural Barriers to Diagnosis and Services," Health Systems: The Next Generation at the Center for Health and Humanitarian Systems, Georgia Tech, September 22, 2017, Atlanta, GA.

Georgia Tech Office of Pre-Health Advising

Faculty Panelist, "Pre-Health Second-Look Day" - Spoke at recruitment event for admitted undergraduate students and their parents (April 2016)

Faculty Speaker, "Social and Cultural Determinants of Health," American Medical Student Association 9th Annual Pre-Health Conference (March 2015)

PUBLIC AND COMMUNITY SERVICE

Invited Presenter (Spring 2019) - Georgia Planning Association Conference, Decatur, GA. Presented on a panel highlighting my research on autism services disparities in the podcast series: Excavating Atlanta: A Podcast Series – Health Inequity. National Center for Civil and Human Rights.

<https://www.civilandhumanrights.org/excavating-atlanta-a-podcast-series/>

Webinar, "Autism Inequalities in Diagnosis and Services," Delta Sigma Theta Sorority, Physical and Mental Health Committee, April 27, 2017.

Autism Expert Panelist, "Sprout Film Festival: Making the Invisible Visible," Disabilities Studies Initiative, Emory University (September 2016)

Member, Atlanta Autism Consortium (AAC) (2011-present). Wrote a grant proposal with AAC members to develop a workshop series focused on employment issues within the adult autistic community (Co-PI, Organization for Autism Research, \$30,000, denied).

Member, Georgia Autism Advisory Council (2015-present)

Member, Latino Community Practice Consortium (2016 - 2018)

PROFESSIONAL MEMBERSHIPS

American Sociological Association (since 2004)

Society for Social Studies of Science (since 2006)

International Society for Autism Research (since 2008)

Society for the Study of Social Problems (since 2017)

National Women's Studies Association (since 2017)
