

Teaching Tour of Tech: Escape Room!

Play the Teaching Tour of Tech Escape Room to help you learn about teaching resources at Georgia Tech. Use the Teaching at Georgia Tech Guidebook to find the answers to questions hidden within the classroom.

To play the game, go to: <https://bit.ly/TeachingTourEscape> or scan the QR code:

Instructions:

- Work in groups of 3-4 to escape from the classroom.
- Scan the QR code or type the url into a browser to navigate to the Teaching Tour of Tech escape room
- Click on areas around the room to find clues for your escape code
- Clues are collected by answering questions about teaching and learning resources at GT
- You can find the answers in the Teaching at Georgia Tech Guidebook. All questions come from Section IV: Resources for Teachers (pgs. 52-79)
- When you open a quiz, select your answer choice and hit submit.
 - Click on “View Results” to find out if you selected the right answer.
 - If you get a question wrong, you can try again! Just go back to the thank you page and click on “submit another response.”

Keep track of your clues by recording them in the space whose number corresponds to the quiz number you solve.
