Brief Updates – RF Advisory Council (RFAC)

- Award Updates: CoS Outstanding Jr. & Sr. Research Faculty Awards and CoS Research Faculty Community Trailblazer Award
 - Ad hoc awards committee made selections; awardees have been notified by the Dean's Office and will be honored at 2022 Spring Sciences Celebration
 - **Please reapply next year if you were not awarded this year!**
- 2022 Climate Survey for CoS RF has been finalized; it is anonymous
 - Link to survey will be provided in chat later; topics include:
 - Onboarding experience (e.g., visa, healthcare, childcare, etc.)
 - Knowledge about paths to promotion
 - Conflicts with PIs, administrators, or GT bureaucracy
 - Community belonging (esp. in light of the pandemic)
 - Knowledge of resources (e.g., faculty handbook, postdoctoral services website, international students website)
 - Suggestions for issues the RFAC should address in future work
