

SOLUTIONS FOR IN SITU MICROSCOPY

Gatan and DENS Solutions Team Up

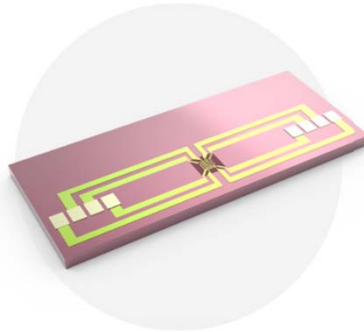

Solutions for In Situ Microscopy

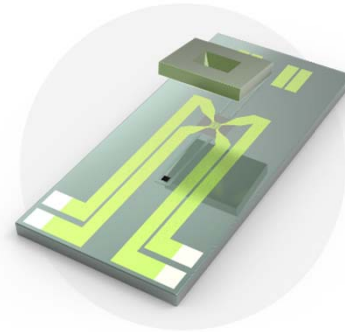

MEMS devices

 **wildfire**

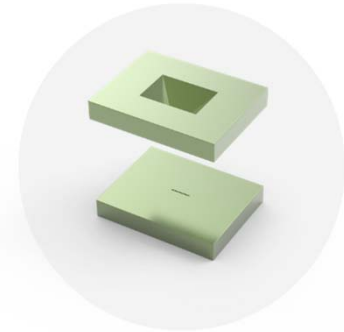

Nano-Chip
(Heating)

 **lightning**

Nano-Chip
(Heating with Electrical
Feedthroughs)

 **climate**

Nano-Reactor
(Gas Cell)

 **ocean**

Nano-Cell
(Liquid Cell)

Product – Market fit

 **wildfire**

 **lightning**

 **climate**

 **ocean**

Complete solutions

 **wildfire**

 **lightning**

 **climate**

 **ocean**

Over the next 30 days, Gatan and DENS Solutions will be working on pricing and availability. Please contact your local Gatan sales representative to learn more.
