

## PTS Rates

### Rules and Regulations

PTS has the authority to establish parking rates and fees including but not limited to late fees. PTS rates are set with approval of the President. By purchasing an annual parking permit, students, faculty and staff may park in their assigned lots at any time (except as needed for special events or construction). Permits are issued for an annual period to departments, employees, and students. Individuals in specified groups are eligible to purchase weekly, monthly, and periodic usage permits. Permit holders are responsible for any parking fees and fines. Permit purchases can be made within the application timeframe online at [www.driverseat.pts.gatech.edu](http://www.driverseat.pts.gatech.edu), or in person at the PTS Office. Transit options are available on the PTS website [www.pts.gatech.edu](http://www.pts.gatech.edu). PTS is the sole department authorized to issue any type of parking permit used for parking on the GT Campus.
