

Specialty Parking - Multi/Dual/All Access

Definition and Purpose

This defines the process that must be followed before any of the Multi/Dual/All Access parking accommodations/privileges will be granted by GT Parking and Transportation Services (PTS). The purpose of these types of access is to help facilitate business needs of the individual on behalf of GT. Multi / Dual / All Access allows employees to park on campus as outlined below.

All Access

- Provides the customer with 24/7 access to all campus parking lots (gated or ungated), with the following restrictions:
 - All Access is restricted in visitor Areas 1, 2, 3, 4, 7, 9, 10, E82, N171 (Atlantic Station), the Biltmore, Coda and all campus metered parking locations.
- Permit holders with All Access may park in E45 and the Area 6 visitor's lot.
- If an individual with All Access does not have a reserved stall in E45, they will need to use the call box at the entrance to find out which reserved stall they are able to use for parking, as spaces in E45 are specifically assigned to individuals and/or departments.
- Access for gated locations is provided to customers (by PTS) via their BuzzCard.
- There is an annual fee for ALL Access parking.

Dual Access

- Dual Access provides the customer with 24/7 access to their primary permit location, and one additional location on campus.
- Dual access will not be approved and is not intended for persons with frequent meetings. The access is intended for those who work in multiple campus locations, where mobility between campus locations cannot be reasonably accommodated by walking, transit or other means.
- Access for any approved dual gated location is provided to customers (by PTS) via their BuzzCard.
- Individuals with Dual Access may park in the designated lot of their valid annual permit and choose one additional parking lot for a total of two (2) different locations.
- Dual parking is not offered in visitor locations, to include Areas 1, 2, 3, 4, 6, 7, 9, 10, campus metered parking locations, E82, N171, the Biltmore or Coda.
- PTS reserves the right to decline or limit dual parking locations based on space availability.
- Space must be available in the requested Dual location to be approved. Requests for waitlisted locations will not be approved.
- Written justification for Dual Access must be submitted annually.
- Dual access privileges will be issued after initial parking permit renewals are complete.
- There is an annual fee for Dual Access parking.

Multi Access

- Provides the customer with 24/7 access to all parking lots (gated or ungated) permitted parking spaces, with the exception of the following restrictions:
 - Multi Access is restricted in visitor Areas 1, 2, 3, 4, 6, 7, 9, 10, E44, E45, E48, E82, N171, the Biltmore, Coda and all campus metered parking locations.
- Access for gated locations is provided to customers (by PTS) via their BuzzCard.
- There is an annual fee for Multi Access parking.

Rules and Regulations for Multi / Dual / All Access

- Multi / Dual/ All access is supplemental parking access for faculty/staff and is valid from the date of purchase through August 14th each year.
- Multi, Dual and All Access must be used in conjunction with a valid Annual Individual permit.
- The access may not be used with a Carpool permit, SmartPark permit, Temporary or Evening/Weekend (E/W) permit.
- Faculty/Staff are required to provide written justification from their Dean, Chair or Department Director for their request for Multi, Dual or All Access and submit the request to GT PTS's Senior Director's office through the Executive Assistant.
- Requests for Multi, Dual and All Access will be reviewed and will require approval by PTS.
- Individuals that have been granted one of these access privileges in the past will not automatically receive it in the future. Decisions to allow access will be determined on an annual basis.
- Multi / Dual / All access will not be approved and is not intended for persons with frequent meetings on campus.

Restrictions

- A customer approved for Multi or All Access does not need Dual Access or an Official Business Permit (OBP).
- Permit holders (with a physical hangtag) must display their valid GT parking permit and register their vehicle in their Driver's Seat account at <https://driverseat.pts.gatech.edu> to use Multi / Dual / All Access privileges.
- Virtual permit holders must register their vehicle in their Driver's Seat account, at <https://driverseat.pts.gatech.edu>, to use Multi / Dual / All Access parking privileges.
- Multi, Dual and All Access permit holders may not park their vehicles in the Health Services parking lot, service vehicle stalls loading zones, or other "no parking" areas on campus.
- Vehicles parked in restricted locations will be cited and subject to impoundment.
- Parking and Transportation Services has the right to reserve lots/decks for event parking on campus. Lots that are restricted for an event will be posted at the entrance to the lot, or within the parking zone. Permit holders will be notified by email, and/or on our website at www.pts.gatech.edu.
- Parking and Transportation Services has the authority to close a lot for construction, maintenance or safety issues. Permit holders will be notified in advance of their primary lot closures.
- All citations and other unpaid fees that are due to GT PTS must be paid prior to the issuance of Multi / Dual / All Access privileges.
- Multi / Dual / All Access privileges are issued on a limited basis as space allows.
- Access privileges will not be granted without proper payment, which should include the WorkDay WorkTag numbers, if being paid by a GT department.
- Multi / Dual / All Access is issued based on job duties and applicants must demonstrate regular and ongoing job duties requiring mobility between various campus facilities that cannot be reasonably accommodated by walking, transit or other means.
- Multi / Dual / All Access privileges must be relinquished in the event of a job change.
- Students, guests and retirees are not eligible for Multi / Dual / All Access permits
