

Accessible Parking

Purpose

This defines a way for faculty, staff, students and visitors with ADA accessible needs (temporary or permanent) to park on campus. All faculty, staff and students are required to pay for parking on campus.

Parking options for Faculty, Staff or Students with a valid state-issued disability hangtag or license plate

- Permit holders may use their GT permit to park in any specifically designated ADA parking spaces on campus with their state-issued disability hangtag displayed (excludes SmartPark permit holders and visitor locations).
- SmartPark permit holders must park in valid SmartPark locations and may park in any designated ADA parking stall with their state-issued disability hangtag displayed.
- Parking in a visitor lot will require payment of the hourly parking fee for the visitor location.

Parking options for Visitors with a valid state-issued disability hangtag or license plate

- Visitors may purchase a temporary GT permit – daily, weekly or monthly and park in any specifically designated ADA parking stall with their state-issued disability hangtag displayed.
- Visitors may also park in a visitor lot and pay the hourly parking fee for the visitor location.

Rules and Regulations

1. A valid GT permit, along with a state-issued disability hangtag or license plate is valid in GT ADA accessible parking spaces.
2. If parked in a visitor lot, payment of the hourly parking fee is required.
3. In all instances, the state-issued disability permit must be displayed from the rear-view mirror when parked in an ADA parking stall on campus.

Restrictions

- Parking and Transportation Services (PTS) has the right to reserve lots/decks for event parking on campus. Parking may be sold in advance or at the gate on a first-come basis. Lots restricted for an event will be posted at the entrance to the lot and permit holders will be notified by email in advance of the event.
- PTS has the authority to close a lot for construction, maintenance or safety issues. Permit holders will be notified in advance of lot closures and signage will be posted at the entrance of the lot.
- The permit holder is responsible for returning their permit and notifying GT PTS when employment is terminated, or the annual parking assignment is no longer needed. The permit holder will be charged for each day the permit is assigned to them. Refunds or payroll deduction cancellations will not be processed until the permit is returned to GT PTS. Virtual permits may be returned using the online permit return request form at <https://pts.gatech.edu/2020-2021-permit-return-request>.
- All citations and other unpaid fees due to GT PTS must be paid prior to applying or accepting an any permit assignment.
