

The Consortium for Enabling Technologies & Innovation (ETI)

Annual Summer School

Advanced Manufacturing for Nonproliferation

Part 1 – online, noon EST, Wednesdays, June 7 – August 9, 2023

Part 2 – in-person, August 14 – 18, 2023, Georgia Institute of Technology/ORNL

Registration link (or scan the QR code):

<https://forms.gle/QcsAoBtAvd6cGfah9>

Please register by **June 26, 2023**.

Documents required for registration:

- CV (1 - 2 pages).
- Half-page statement about why you want to attend this ETI Summer School.

Attendance of Part II (in-person) will be finalized in July.

Join us! Here's what you'll learn:

- Advanced manufacturing for nonproliferation
- Lab demonstrations and tours
- Financial support from ETI Consortium will be available, including lunch, dormitory, and bus travel to Oak Ridge National Laboratory.

Please contact Kierra Payne for any questions: kierra.payne@me.gatech.edu.
