

# CHECKLIST

## 1 INSPECT YOUR HOME FOR HAZARDS OR SAFETY ISSUES

These **MUST** be addressed before any renovations, consult Inspect page or **click here** for more information

---

## 2 FIND OUT THE AGE OF YOUR HOME

Age can be helpful for determining which renovations to consider

---

## 3 DETERMINE BUDGET

Establish how much you'd like to spend on repairs and renovations, Smart Old Home's tips vary in price to implement
