

Emily Elizabeth Patton

E-mail: epatton9@gsu.edu

Education

August, 2023 **Ph.D. in Clinical-Community Psychology**, *Georgia State University*

June, 2020 **B.A. Psychology**, *DePaul University*
Concentration: Human Services
Minor: Public Health Studies
Summa Cum Laude

Grants, Honors, and Scholarships

2023 Training in Integrated Pediatric Psychology Service Fellow
2020 PSI CHI Honors Society member
2020 Undergraduate Research Assistantship Program (URAP) - \$975
2019 Doctoral-Undergraduate Opportunities for Scholarship (DUOS) - \$750
2018 Undergraduate Research Assistantship Program (URAP) - \$900

Publications

Wegrzyn, A., Tull, P., Greeson, M. R., Pierre-Louis, C., **Patton, E.**, & Shaw, J. (2022). Rape crisis victim advocacy: A systematic review. *Trauma, Violence, & Abuse*, 1-20. DOI: 10.1177/15248380221082089

Cafaro, C., Gonzalez-Molina, E., **Patton, E.**, McMahon, S. D., & Brown, M. (2023). Meta-analyses of teacher-delivered interventions for trauma and trauma-informed care. *Psychological Trauma: Theory, Research, Practice, and Policy*.

Held, P., **Patton, E. E.**, Pridgen, S. A., Smith, D. L., & Klassen, B. J. (In Press). Using the personalized advantage index to determine which veterans may benefit from more vs. less comprehensive intensive PTSD treatment programs. *European Journal of Psychotraumatology*.

Hoffman, E. E., **Patton, E.**, & Greeson, M. R. A systematic review of sexual assault case attrition in the U.S. from 2000 to 2020. Manuscript under review.

Splaine, C., **Patton, E.**, & Held, P. (2023). Evaluating the factor structure and predictive utility of the Moral Injury Events Scale in a sample of treatment-seeking veterans with posttraumatic stress disorder. Manuscript under review.

Patton, E., Mundle, R., & Held, P. (*In preparation*). Understanding Veterans' perceived improvement in PTSD treatment: Examining the role of clinical predictors and clinically meaningful thresholds.

Patton, E., Klager, C., Hedges, L., & Tipton, E. (*In preparation*). Descriptions of treatment-control contrasts in IES efficacy and effectiveness trials.

Zinter, K, **Patton, E.**, & Keys, C. (*In preparation*). A systematic review of community-based participatory research among Indigenous populations.

Hoffman, E., Greeson, M. R., Zinter, K., **Patton, E.**, Tull, P., & Wegrzyn, A. (*In Preparation*). Nurses' perceptions of the impact medical rape victim advocates have on survivors of sexual assault.

Hedges, L., Tipton, E., Klager, C., Severini, L., & **Patton, E.** (*In preparation*). Trends across twenty years of IES efficacy and effectiveness trials.

Professional Presentations and Conference Posters

Patton, E., Mundle, R., Pridgen, S., & Held, P. (2023, November). *Clinical factors that influence Veterans' perceptions of improvement*. Expected to be presented at the 39th Annual meeting of the International Society for Traumatic Stress Studies.

Valdespino-Hayden, Z., **Patton, E.,** & Held, P. (2023, April). *Coping self-efficacy as a predictor of PTSD and depression symptom change among veterans in intensive PTSD treatment*. Presented at the Anxiety and Depression Association of America, Washington, DC.

Patton, E., Coleman, J. A., & Held, P. (2022, November). *Veterans' PTSD symptom improvement as a predictor of insomnia following intensively-delivered Cognitive Processing Therapy*. Presented at the 38th Annual meeting of the International Society for Traumatic Stress Studies.

Wegrzyn, A., Tull, P., Greeson, M., Pierre-Louis, C., **Patton, E.,** Shaw, J. (2021, April). *A systematic review of the literature on rape crisis victim advocacy*. Presented at the 18th Hawai'i International Summit on Preventing, Assessing & Treating Trauma Across the Lifespan, Honolulu, HI. (Online).

Greeson, M., Pierre-Louis, C., Tull, P., Wegrzyn, A., **Patton, E.** (2021, April). *Reflecting on our work on gender-based violence and its relationship to the black lives matter movement*. Roundtable presented the 93rd Annual Convention of the Midwestern Psychological Association, affiliated virtual meeting of the Society for Community Research and Action.

Patton, E., Zinter, K., Tull, P., & Greeson, M. (2020, April). *Perceptions of sexual and relationship violence preventability among college males*. Accepted for presentation at the 92nd Annual Convention of the Midwestern Psychological Association, Chicago, IL. (Conference canceled due to COVID-19).

Community Reports and Presentations

Patton, E., & Greeson, M. (2021). *Interim evaluation findings: Bystander intervention program spring 2021*. DePaul University

Greeson, M. & **Patton, E.** (2020). *Interim evaluation findings: Bystander intervention program spring 2020*. DePaul University

Greeson, M., **Patton, E.**, Tull, P., & Zinter, K. (2019). *Interim evaluation findings: Bystander intervention program summer 2019*. DePaul University

Greeson, M., **Patton, E.**, Tull, P., & Zinter, K. (2019). *Fraternity participants in the Vinny Vow: Evaluation results*. DePaul University

Research Experience

Graduate Research Assistant

August 2023-Current

Alcohol and Interpersonal Violence Lab

Dr. Cynthia Stappenbeck

Georgia State University, Atlanta, GA

- Contribute to various projects examining alcohol-facilitated violence, alcohol use, sexual victimization, and sexual perpetration

Clinical Research Assistant

June 2022- June 2023

The Road Home Program National Center of Excellence for Veterans and Their Families

Treatment Response Efficacy Accessibility and Timing (TREAT) Lab

Dr. Philip Held

Rush University Medical Center, Chicago, IL

- Coordinated a trial that uses wearable technology to assess biometric responses to PTSD, including maintain study protocol, IRB documents, beta testing, and assessments
- Developed IRB protocol and coordinated testing of a mental health and needs screener with veterans, including conducting think-out-loud sessions and managing participants
- Conducted clinical assessments to establish eligibility for a randomized controlled trial and assess for PTSD symptoms using the CAPS-5, SCID, C-SSRS, and Ohio-TBI
- Conducted neuropsychological assessments (WASI-II, WTAR, Stroop, Towers of London)
- Oversee undergraduate research assistant's completion of transcripts, mentored research assistant's development of own research question and preparation for a conference poster
- Build out complex REDCap projects for data collection
- Collect self-report measures with veterans attending a massed intensive treatment program
- Code impact statements from Cognitive Processing Therapy sessions, extracting and identifying stuck points as assimilated, accommodated, over-accommodated

Research Project Coordinator

November 2020- June 2022

Statistics for Evidence-Based Policy and Practice Center

Dr. Larry Hedges

Dr. Elizabeth Tipton

Northwestern University, Evanston, IL

- Managed and produced daily research tasks for a review of efficacy and effectiveness studies including coding and extracting information from publications
- Met to review and reach agreement with study coding and extraction
- Conducted interviews with participants who conducted sampled efficacy and effectiveness trials
- Managed the cleaning and analysis of interview transcripts, including transcribing audio and coding for themes in Dedoose
- Drafted templates for communications with participants
- Designed website for participants to learn more about the study and to provide additional materials
- Presented updates on larger project and personal projects to larger lab team to gain feedback and insight

Undergraduate Project Coordinator

June 2018- June 2021

Department of Psychology
Dr. Megan Greeson
DePaul University, Chicago IL

- Oversee the assessment of an undergraduate bystander workshop, including preparing workshop assessment materials and coordinating dates
- Manage a longitudinal datafile of survey information including merging and verifying ID matching
- Transitioned the survey from paper and pencil to Qualtrics because of the pandemic, updated survey language to better fit population and improve inclusivity of demographics
- Oversee adherence to IRB protocol and made IRB amendments when needed

Undergraduate Research Assistant

September 2018- June 2019

Department of Psychology
Dr. Kathryn Grant
DePaul University, Chicago, IL

- Facilitated completion of study measures by explaining measure language to participants
- Supported recruitment of new participants by calling families in partner schools and developing language surrounding biologic data collection (blood, saliva)
- Used SPSS to clean a longitudinal database with over 1,000 variables

Undergraduate Research Assistant

September 2017- June 2018

Department of Psychology
Dr. Megan Greeson
DePaul University, Chicago, IL

- Facilitated the assessment of an undergraduate bystander workshop, including management of study materials
- Used SPSS to run descriptive and inferential statistics for the annual community partner presentation
- Supported lab publication efforts by conducting literature reviews

Professional Experience

Volunteer Crisis Counselor

September 2021- Present

Peer Support Counselor

Crisis Text Line

- Provide crisis intervention, suicide prevention, and short-term counseling to texters for a total of 188 hours
- Assess clients in accordance with policies and procedures to assess the level of intervention required
- Discussed coping strategies and provided resource referrals when necessary
- Provided peer support for other counselors on the platform, shared resources for referrals when necessary

Client Support Intern

September 2019- November 2020

Individual and Family Connection, Chicago, IL

- Guided patients through the clinical process and evaluated needs and presenting problems to assess clinical fit
- Processed insurance claims and checked insurance eligibility for new and current patients
- Ensured the completion of forms related to safety planning, consents, and releases of information
- Used the clinical scheduling software (Theranest) to manage and schedule appointments
- Facilitated the transition from in-person to virtual services, including drafting communications about the transitions and protocol for in-person services

Co-Director of Communications

September 2017- June 2018

The Cities Project

DePaul University, Chicago, IL

- Co-led a team of 6 undergraduate students to plan and implement fundraising efforts for the non-profit
- Revamped fundraising and communications approach which led to an increase in earnings by over 300% from the previous year, totaling over \$16,000 which allowed for program expansions such as summer camp
- Wrote a proposal to organizations within a large school fundraiser to coordinate expansions of fundraising efforts
- Secured relationships and sponsorships with companies such as the Chicago Athletic Club for a 5k/8k and fashion designer Adriaen Black to design individual t-shirts for children in the project

Trainings and Workshops

Essentials of CBT: Foundations and Practice 2023
Beck Institute

QUAL Friendly Mixed Methods Research Webinar 2022
Dr. Elizabeth Creamer
American Psychological Association

Improving Evaluations of R&D in STEM Education Summer Institute 2021
Dr. Elizabeth Tipton
Dr. Larry Hedges
Northwestern University, Institute for Policy Research
National Science Foundation
