

THE DIVISION OF FINANCE AND ADMINISTRATION

operates as stewards for the mission of Georgia State University. Our achievements as a full service division transform the way the University operates. Our accomplishments as a division connect us to the broader university community.

As Georgia State University continues to expand, so do we. “Face to Face with Finance and Administration” is our way to connect employees with our division. We hope you will take this opportunity and look up a colleague to connect a name with a face.

I encourage each of you to continue improving university processes, creating bright ideas and, developing professionally all while continuing to offer exceptional customer service and sustainability.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jerry Rackliffe'.

Jerry Rackliffe

THE DIVISION OF FINANCE AND ADMINISTRATION

Budget & Planning

OFFICE OF SENIOR VICE PRESIDENT

The Division of Finance and Administration is charged with the **stewardship of financial resources, human resources and physical facilities** that support all academic, student and administrative functions. The Vice President for Finance and Administration provides leadership to these functional areas of the university, which together furnish critical services that sustain the core activities of the community and support the mission of Georgia State University. Division of Finance and Administration includes:

- Auxiliary and Support Services
- Budget, Spectrum and Administrative Support
- Financial and Accounting Services/Comptroller
- Facilities Management Services
- Human Resources Administration
- Payroll | Benefits | HRIS

AUXILIARY AND SUPPORT SERVICES

Auxiliary and Support Services provides **high quality administrative and educational support services** to the Georgia State community and constituents in support of the university's mission of teaching, research and public service. We positively impact the quality of campus life through professionalism, excellence and caring through the following operations:

- ATM banking
- Graduation Regalia and Photography Services
- Mail Services
- PantherCard
- Parking and Transportation Services
- Rialto Center for the Arts
- Safety and Risk Management
- Travel Services
- University Bookstore
- University Printing & Copy Services
- Vending Services

BUDGET, SPECTRUM AND ADMINISTRATIVE SUPPORT

The Budget, Spectrum and Administrative Support Unit of Georgia State University is charged with assuring that the university budget, transactional information systems and certain university administrative processes are handled with **accuracy and professionalism**, and in adherence with University System of Georgia Board of Regents' regulations and policies. The unit is structured to provide essential services to the faculty, staff and students of Georgia State. Budget, Spectrum and Administrative Support includes:

- Payroll | Benefits | HRIS
- Spectrum Office (Financial System Support)
- Finance and Administration Web Services
- Panther Dining

FACILITIES MANAGEMENT SERVICES

Facilities Management Services is responsible for the physical assets of Georgia State to ensure that maintenance, safety and development of the physical, environmental and technological facilities of the university will result in a **high-quality environment** for students, faculty, staff and visitors in performing the university's mission of teaching, research and outreach activities. Facilities Management Services includes:

- Building Services
- Design and Construction
- Facilities Maintenance and Operations
- Facilities Planning and Real Estate
- Renovations
- University Police

FINANCIAL AND ACCOUNTING SERVICES/COMPTROLLER

Financial and Accounting Services/Comptroller provides **quality customer service** to students, faculty, staff and administrators by receiving and disbursing university funds in a timely, accurate and reliable manner, providing meaningful financial information and advice to support decision-making and safeguarding assets in compliance with regulatory requirements. Financial and Accounting Services/Comptroller includes:

- Accounting Services
- Business Services
- Financial Operations
- Revenue and Receivable Services

HUMAN RESOURCES ADMINISTRATION

Human Resources Administration provides specialized expertise and consultative services to our HR partners and Georgia State University campus-wide. Our role as a strategic business partner allows us to become **innovators of cutting-edge HR practices and technology**, establish consistent best practices and equip our internal customers with skills that will contribute to the goals and strategic plans of the University. We engage employees year-round through a myriad of personal and professional development courses, provide the tools to hire top talent using creative and unique recruiting strategies and educate employees on the importance of work-life balance. These services and many more can be obtained through any of our units listed below:

- Classification and Compensation
- Employee Development and Wellness Services
- Employee Relations
- Talent Management
- Human Resources Administration
- Organizational Development and Consulting Services
