

BGSA Career Seminar Series presents:

RODNEY NASH, PHD
PRESIDENT & CEO
JEEVAN BIOSCIENCES

- ◆ 10am Wednesday,
November 11th
- ◆ Room 124,
Petit Science Center
- ◆ Light breakfast will
be provided.

All faculty, staff, and students are welcome!
Please contact bgsa@gsu.edu for more information.

Dr. Nash, a GSU and UGA alum, is trained in multiple scientific disciplines, including neurodegenerative diseases and cancer. He has now embarked on a journey of starting his own biotech company, Jeevan Biosciences, which specializes in 3D cellular models, tissue culture media, and resources for developing cancer therapies.

Please join us in hearing about Dr. Nash's
experiences and expertise!
