DR. MICHAEL P. ERIKSEN
DEAN, GSU SCHOOL OF
PUBLIC HEALTH

Please contact bgsa@gsu.edu for
more information and to RSVP.

Dr. Eriksen has led the university's public health program since 2002. He has diverse experience in a variety of settings, including academia, the private sector, state and federal government, and international organizations (WHO).

Dr. Eriksen has published dozens of peer-reviewed articles and is co-author of The Tobacco Atlas, published by the WHO. Please join us in learning about his career path in an open discussion forum.
