January 10, 2022

Dear Parents of entering 2022-2023 Kindergarten Students,

The Dual-Language Magnet Program at Burley Primary is a program in which 50% of the academic instruction is taught in English and 50% is taught in Spanish. The classes consist of students from both English speaking and Spanish speaking backgrounds. The goal of the program is for students to become bilingual and bi-literate in both languages and is open to students from Lufkin and surrounding districts. Entry into the program is **only at the kindergarten level** and language criteria must be met in order for your child to be recommended into the program. Additional information about the program will be presented at **Advanced Academics Night on January 13th at 6:00 p.m. at the Lufkin High School Auditorium.**

The testing for the Dual-Language Magnet Program is by scheduled appointment and will take place from February 7th - February 25th. If you are interested in having your child tested for Dual Language, please fill out the following form to add them to the testing database. If you have any questions or need additional information, please contact the Bilingual Department at 936-630-4290.
