

Overview of Supplemental Special Education Services (SSES)

Supplemental Special Education Services (SSES) are **on-line accounts** for eligible parents/caregivers of students with significant and complex disabilities that have been impacted by COVID-19 school closures.

Families of students with eligible disabilities can use the on-line accounts to **obtain special educational resources and supplies and/or services such as additional speech therapy or other specific services**. SSES credits are up to **\$1,500 per student** to be used to supplement what otherwise happens in school to help students continue to make educational progress.

Families can receive up to \$1,500 per student to purchase goods and services.

What is SSES?

An online account that families can use to obtain goods and services up to the dollar value in the account which will supplement and bolster services a child is already receiving in school.

Who Qualifies?

The SSES program is for students with significant cognitive and complex disabilities:

- All students must have been enrolled in a Texas public school in the 2019-2020 school year and be currently enrolled in the 2020-2021 school year.
- **Grades K-2:** A combination of the student's primary disability and their educational setting will determine qualification.
- **Grades 3-12:** Students who qualify for the STAAR ALT II assessment.
