**Note:** Students will ONLY be transported to the listed stop sites for summer school. To ride the summer school bus, you must have this form filled out completely and approved by transportation for the above listed location. Ridership is a privilege, and any behavior concerns will result in loss of that privilege and may even result in a suspension from all buses in the district. For any questions, call (936)630-4461. Thank you for your support and understanding.
