## **EVALUATION CRITERIA FOR AWARD**

Lufkin ISD will award to the contractor(s) who presents the greatest value, in our view, to Lufkin ISD from the standpoint of suitability to purpose, quality, service, previous experience, price, ability to deliver, or for any other reason deemed by the District to be in the best interest of Lufkin ISD. Thus, the result will not be determined by price alone but upon the applicable criteria.

Proposal evaluation will be done based on the information provided by the Proposer. It is very important that the Proposer provide all required information as part of their Proposal. Failure to provide necessary information and documentation could result in the Proposal being rejected.

Proposers are required to submit all bid documents and are available on Lufkin ISD's website: [www.lufkinisd.org](http://www.lufkinisd.org), Purchasing, Departments.

## **CONTRACTUAL REQUIREMENTS**

All prices will remain as firm fixed prices for the duration of the contract. However, the District may accept price changes in the following circumstances. Prices may be lowered due to general market conditions. If there is substantial increase in the cost of fuel, the District may accept an increase in the mileage tariff based on a documented price increase and its effect on the tariff.

Substantial is considered a 25% or more increase in fuel costs over a two-month period. If there is a substantial decline in the cost of fuel, the mileage tariff must be decreased accordingly. Any changes in price must be requested at least one month in advance of the scheduled trip.

Payment will be made within 30 days after completion and approved by Lufkin ISD. Lufkin ISD expects to pay only the primary vendor for all work performed as a result of this RFP.

**HB 89 and SB 252 Certification Addendum**

The Texas 85th Legislature passed two bills during its regular session that will impact all government contracts for goods and services, regardless of dollar amount, including contracts for professional, consulting, and construction services. This addendum requires review and signature from any vendor/independent contractor ("Contractor") entering into a contract ("Contract") with the Lufkin Independent School District to ensure the Contractor complies with the requirements stipulated herein.

**HB 89 - Certification Regarding Israel**

House Bill 89 (HB 89) prohibits governmental entities from entering into Contracts for goods and services that do not contain the Contractor's written verification that the Contractor does not, and during the term of the contract will not, boycott Israel.

**SB 252 - Verification Regarding Terrorist Organizations**

Senate Bill 252 (SB 252) prohibits governmental entities from contracting with parties on the State Comptroller's list of companies known to have contracts with, or provide supplies or services to, an organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State. As a result of the new law, governmental entities are required to verify that vendors are not on the Comptroller's list (the "List") of companies with ties to foreign terrorists. The Comptroller's Office provides and maintains such List and anticipates the List going live on September 1, 2017. The List will be accessible through the Texas Treasury Safekeeping Trust (<http://www.ttstc.org/index.php>) or through a link on the Texas Comptroller's website (<https://comptroller.texas.gov>).

**Contractor Certification**

The Contractor entering into a Contract with the Lufkin Independent School District ("Lufkin ISD") for the provision of goods or services, whether such Contract is in the form of either a written agreement executed between both parties or a duly authorized Lufkin ISD purchase order, Contractor hereby certifies that it is not a company identified on the Texas Comptroller's List of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State. Contractor further certifies and verifies that neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and Contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of this Contract. For purposes of this Contract, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory.

## **Implementation of House Bill 1295**

### **Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908](#) of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

### **Changed or Amended Contracts:**

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules ([Chapter 46](#)) to implement the law. The Commission does not have any additional authority to enforce or interpret [section 2252.908](#) of the Government Code.

### **Filing Process:**

A business entity must use the [Form 1295 filing application](#) the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a “certification of filing.”

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

### **Acknowledgement by State Agency or Governmental Entity:**

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission's filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.
