

RAISING HIGHLY CAPABLE KIDS™

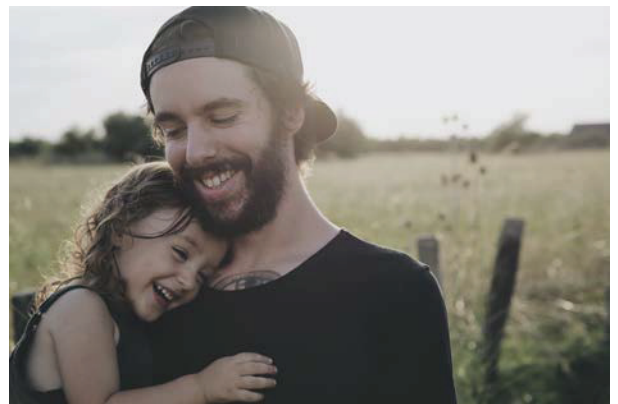

Communities Empowering Families for Success

Parents, come be encouraged!

Raising Highly Capable Kids™ is an exciting, interactive, practical tool for parents to engage and build community with other parents while raising healthier, more caring and responsible children.

In this 12-week course, parents will engage with material centered on personal development and practical skills to improve their children's social, educational and emotional abilities. Class topics include valuing and seeking support, encouraging responsibility in children, empowering their decision-making, improving empathy, friendship skills, resistance to negative peer pressure, and ability to resolve conflict.

FREE classes!

Starting Monday, August 26
Mondays, 6-7 pm
(childcare available)

District Education Center
701 N. First St.
Lufkin, TX 75901
