

JANUARY 14
2025

BOARD MEETING HIGHLIGHTS

Dream. Believe. Achieve.

TUESDAY'S WORK SESSION

- January 14, 2025 | 11:30 a.m. | Brookhollow Elementary, 1009 Live Oak Lane, Lufkin, TX 75904
- **Campus Spotlight:** Brookhollow Elementary School
 - Thank you to the students and staff of Brookhollow Elementary for being fantastic hosts of Tuesday's work session. School board members and meeting guests enjoyed participating in the PE lesson from Mr. Kier, with special emphasis on social-emotional learning.
- **January is School Board Recognition Month:** Our sincerest appreciation to the Lufkin ISD School Board Members for their commitment, dedication, and service to the students, staff, and community members of this district.
 - Appreciation Video: Extended Cut
- **Posted Agenda**
- **LMS Construction Report:** Indoor construction is complete, with students and teachers moved in. Outdoor concrete and landscaping is all that remains for this project. Additionally, the LMS Auditorium renovation is underway with a new sound system, lighting and curtains going in.
- **Superintendent's Notes**
 - **Daycare Update:** A director position for the daycare will be posted in February. Once hired, the district will move forward with infrastructure, licensing, furniture, and staffing. There has been an increased interest from staff since we returned from the break in January, and we look forward to getting underway. Applications will be available for enrollment of staff's children by April or May.
 - The **Future Facilities Advisory Committee** met again Monday night (1/13/25) and is projected to have a final report for the board to be presented at the Special Called Board Meeting on January 30th. Interest in a future CTE building with an ag barn is one of the recommendations the committee is considering. Additionally, with the decline in enrollment, shrinking the district footprint will be a focus. Details regarding the repurposing of schools, the closing of two campuses, and the closing and combining of the Administration Building and the District Education Center are in the discussion stages.
 - The search for an **athletic director/head football coach** continues. Dr. Hockenberry reported plans to recommend a name to the board in February.
- **2025-27 School Calendars:** Two calendars were presented to the board for consideration, one for the 2025-26 year, and one for the following, 26-27 school year. Approving two years would allow staff to better plan.
- **School Board Election:** Information regarding school board elections can be found here.

MEETING AGENDA

REGULAR BOARD MEETING

YOU'RE INVITED TO JOIN US THURSDAY EVENING!

January 16, 2025 | 6:00 p.m. | Lufkin ISD Administration Building: 101 Cotton Square, Lufkin, TX
