

## Asian Community Development Corporation AmeriCorps Massachusetts Promise Fellow

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on college and career exploration and academic enrichment.

**The Massachusetts Promise Fellowship** achieves this by placing AmeriCorps Fellows with schools, non-profit organizations, and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, an effective education, and an opportunity to serve.*

### Service Description

The Massachusetts Promise Fellow will be responsible for supporting and building out ACDC's academic enrichment programs in Chinatown by facilitating marketable leadership skills curricula that equip high school youth. ACDC's youth leadership program is called A-VOYCE (Asian Voices of Organized Youth for Community Empowerment) and seeks to equip youth to be community advocates who design spaces for collective dreams, joy, & power. The Fellow will act as a supportive mentor and develop relationships through cohort bonding and 1:1 check-ins. Fellows are also expected to offer culturally relevant learning, teaching histories not often covered in traditional learning spaces, identifying and reaching benchmark program goals, and meeting expressed needs in relation to academic, college, and career support.
