

*INTRODUCING PROJECT 9*

---

*Using Consumer  
Tracking Data to Shape  
and Scale Public Policy*

The Doctor of Law and Policy Program invites you to join Northeastern faculty as they share new approaches to:

- Manage plastic pollution
- Promote more sustainable food systems
- Define and measure food insecurity
- Drive food bank donations
- Predict citizen response to policies

November 3, 2023 1pm to 3pm  
89 Broad Street, 2nd Floor
