

Mobility Print - Print Anywhere

Print on and off campus from any device

Visit the MobilityPrint Web Portal

The MobilityPrint web portal can be accessed by visiting <https://helpdesk.sienaheights.edu/mobilityprint> in a web browser. From this webpage you can download the browser extension or Windows app.

Download the Application

From the MobilityPrint webpage, download: for Windows computers there is an application that can be downloaded; for ChromeOS and Mac there is a browser extension available.

Print with a MobilityPrint Printer

With the MobilityPrint application installed, SHU-Print will appear in the list of printers on the computer. When printing to a campus printer you will need to sign in with your SHU **username** and **password**.

Visit a Printer on Campus

Visit any Multi-functional Printer (MFP) on campus to print your document. At a MFP log in using your Student ID card or by using the touch screen. Once logged in, your documents will be waiting in the print queue. Documents sent to the queue will stay there for 7 Days before they are removed.
