

## Office 365 Install for Apple Computers [Windows Computers Link](#)

### DOWNLOAD

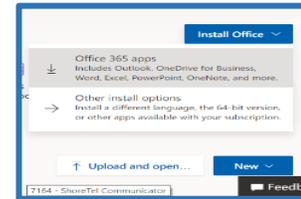

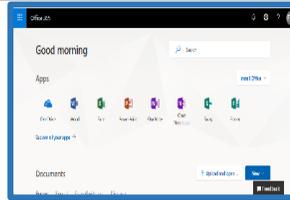

From the **Safari web browser**, log on to <http://office.com> and use your Siena Heights Information.

**Username:** [yourusername@sienaheights.edu](mailto:yourusername@sienaheights.edu)

**Password:** MySiena password  
and then **click on the Sign-in** button.

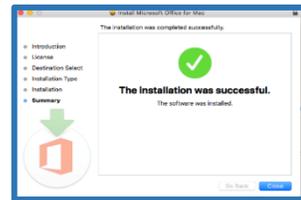

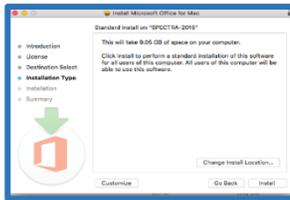

On the **top left section** of the page, tap on the drop-down install apps button. Tap on the **Microsoft 365 apps**, after the file download to the download location, and begin the installation.

### INSTALL

After the download is completed, double-click on the **package**, from your download location. Next, a menu will display **installing Office** on your Mac computer, or device. The application will not install if you do not have over 12 GB storage available on your Mac HD.

### SIGN IN

Open the **Microsoft Word app**, from your applications folder, and sign into your **Office account**. Using your Siena Heights Information.

**Username:** [yourusername@sienaheights.edu](mailto:yourusername@sienaheights.edu)

**Password:** MySiena password  
and then **click on the Sign-in** button.
