

CCS Communication Memo #017

DATE: February 19, 2020
TOPIC: MWCCS Funding Acknowledgment

For current manuscripts using data collected under the former-MACS or former-WIHS, this updated funding acknowledgment should be used. It can be prefaced with any of the following sentences, as appropriate and preferred by study authors:

- Data in this manuscript were collected by the MACS/WIHS Combined Cohort Study (MWCCS), or
- Data in this manuscript were collected by the Multicenter AIDS Cohort Study (MACS), now the MACS/WIHS Combined Cohort Study (MWCCS), or
- Data in this manuscript were collected by the Women's Interagency HIV Study, now the MACS/WIHS Combined Cohort Study (MWCCS)

The opening sentence should then be followed with this funding acknowledgement:
