# About

## International Society of Uterus Transplantation

### ABOUT UTERUS TRANSPLANTATION AND THE ISUTx

Uterus transplantation is the only medical treatment for couples devastated by uterine factor infertility. This innovative therapy is currently offered to patients in need by select transplant centers throughout the world and has its scientific and clinical base in several specialties, including gynecology, obstetrics, and transplantation surgery, among many others. The International Society of Uterus Transplantation was formed in 2017 with the goal of bringing together clinicians and scientists from around the world to share ideas and exchange information in order to advance the field of uterus transplantation.

### Vision

International Society for Uterus Transplantation (ISUTx) is dedicated to scientific innovation and advances in medical care in the field of uterus transplantation.

### Mission

ISUTx will:

1. Facilitate networking between scientists, clinicians and paramedics worldwide;
2. Advocate patient rights;
3. Educate the public and medical professionals;
4. Share current knowledge and new discoveries through the ISUTx website and the Congress of ISUTx;
5. Promote multidisciplinary collaborative research;
6. Develop consensus and guidelines on uterus transplantation;
7. Establish and maintain an international registry of uterus transplantation cases with follow-up of patients, children and donors.

## **ATTENDEE DEMOGRAPHICS**

Conference attendees will include:

Basic and translational scientists with expertise in transplant immunology and reproductive medicine

Transplant Surgeons & Physicians

Obstetricians & Gynecologists with expertise in reproductive medicine and high-risk obstetrics

Additional transplant professionals including transplant coordinators, administrators, and social workers

## 2023 International Society of Uterus Transplantation 4<sup>th</sup> International Congress Exhibitor Registration

Location: The Forum at the Sheraton Birmingham Hotel

Date: September 11-12, 2023

---

### Become an exhibitor!

In addition to name recognition for your contribution level, exhibitor fees provide you a designated exhibit area where you will build invaluable relationships and show your support as an industry leader. Each exhibit booth will have chairs and a skirted table where you can speak with the participating health care providers and other guests. The number of available exhibit booths is limited.

Please note that we cannot provide extension cords. We ask that you bring your own cord if your display or equipment requires power. If you require a power source, we will make every effort to place you near an outlet, but an extension cord may be required depending on configuration. If you have other special requests, we will do our best to accommodate them. Please include details of those requests on your registration form and/or email [sdfry@uabmc.edu](mailto:sdfry@uabmc.edu).

We reserve the right to amend the floor plan and booth assignments.

### How to register and pay?

To register, exhibitors must complete the following simple steps:

1. Complete the attached 2023 ISUTx International Congress Exhibitor Registration Form and return to **Samantha Fry no later than August 25<sup>th</sup>, 2023**.
