Congratulations, Lamont Dupree of North Alabama AHEC!

In January, 2023 Governor Kay Ivey's office appointed Lamont Dupree to the Fifth Congressional Districts' Representative of the State Course of Study Committee: Career and Technical Education. This committee works towards upholding the educational standards designed to prepare students with workforce skills and experiences to secure and hold positions in all career paths.

Lamont is the Associate Director of our North Alabama AHEC program and is the direct point of contact with our North AHEC Scholars. Duprees' appointment comes as no surprise, as he consistently fights for our education system and workforce.

Congratulations Lamont! We will continue to cheer you on and support you as you improve our great state's healthcare, education, and workforce! We look forward to seeing all you accomplish!
