

Do you vape or live with someone who does?

WE ARE LOOKING FOR PARTICIPANTS WHO USE E-CIGARETTES (VAPE), THOSE WHO ARE EXPOSED TO SECONDHAND VAPING, AND NON-SMOKING/VAPING INDIVIDUALS FOR

A PAID STUDY

Participants needed who:

- Are adults 19 years or older
- Regularly vape/use e-cigarettes
- Are non-vapers who live with someone who vapes (spouses, roommates, etc.)
- Non-smokers or vapers (as control participants)

We will ask you to:

- Provide lung function measurements by blowing into a spirometer
- Answer questions about respiratory symptoms
- Take a salivary cotinine test and/or an exhaled Carbon Monoxide test to establish that you do not smoke (or vape for control participants)

ALL PARTICIPANTS SHOULD BE NON-SMOKERS (NOT USE REGULAR COMBUSTIBLE CIGARETTES) TO QUALIFY FOR THE STUDY.
