Volunteers will be contacted via email through SERVDE to register for the trainings Contact Us

#### **Required Trainings**

All MRC volunteers must complete an on-line DMRC Orientation to the program and certain other required training. News & Features lists upcoming volunteer events, and for a complete list of this quarter's activities, including DMRC trainings, exercises and events, be sure to monitor DMRC Calendar of Events. Select training name for details.

 <u>DMRC On-line Orientation Training</u> – Click to take DMRC On-line Orientation Training. (Click here after viewing for certification.)

#### S-100.C: Introduction to the Incident Command System

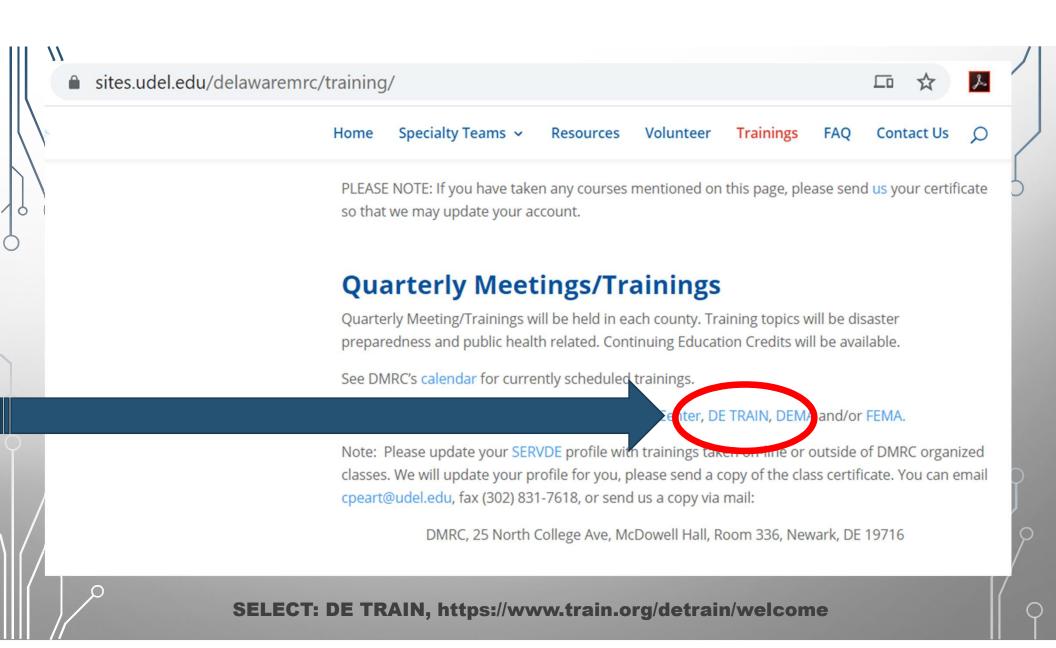

Can attend via face-to-face class setting, offered once yearly for DMRC volunteers, or through FEMA
online trainings site. If you take the course/s independently, please send us your certification so we can
keep your profile up-to-date. (See colendor for currently scheduled trainings or on-line.)

#### IS-700.B: An Introduction to the National Incident Management System

Can attend via face-to-face class setting, offered once yearly for DMRC volunteers, or through FEMA online trainings site. If you take the course/s independently, please send us your certification so we can keep your profile up-to-date. (See calendar for currently scheduled trainings or on-line.)

### Welcome to the TRAIN Learning Network

DE TRAIN is an affiliate of the TRAIN national learning network that provides quality-training opportunities for professionals who protect and improve Delaware's public health. This is a free service funded by Delaware Public Health's Emergency Medical Services and Preparedness Section (EMSPS) in partnership with the Public Health Foundation Training.

Advantages of Using DE TRAIN:

- Search database of courses from DE TRAIN, national TRAIN and other affiliate sites.
- · Track your learning using My Learning and Transcripts
- · Upload new training and certificates
- Access valuable materials and course reviews to improve learning experience
- · Stay informed about the latest public health trainings in your area and nationally

Click or type: https://www.train.org/detrain/user/register

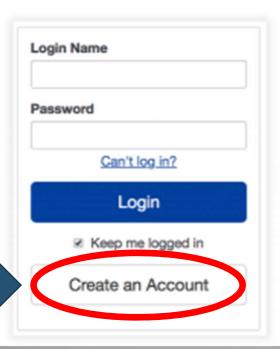

### Step 1. Access the TRAIN Learning Network

It's obvious, of course, but before you can get started with TRAIN, you first have to access it!

Use your preferred internet browser and enter <a href="https://www.train.org">https://www.train.org</a> into the URL address bar.

Press 'Enter' on your keyboard and you will be directed to the TRAIN Learning Network.

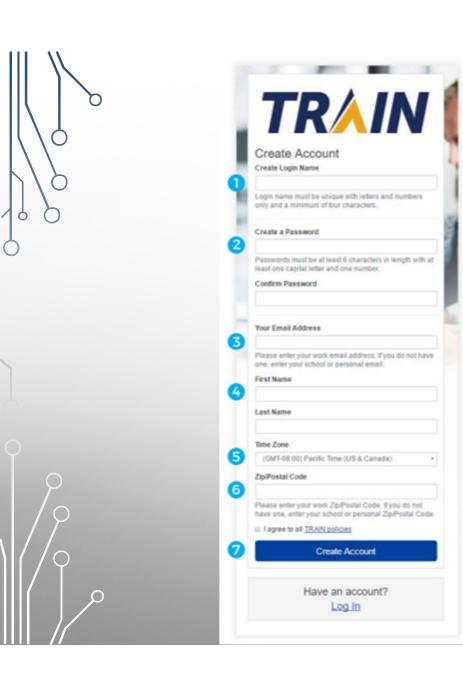

### Step 2. > Log In

If you already have a TRAIN account, enter your login name and then your password and click "Login".

If you do not have a TRAIN account, click the 'Create an Account' link to create one.

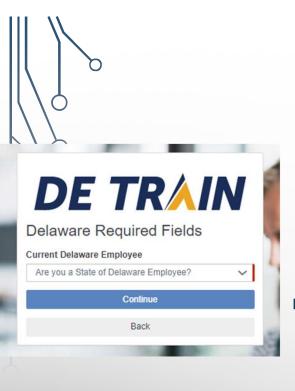

Click or type: https://www.train.org/detrain/user/register

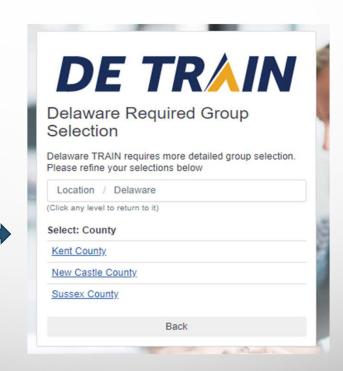

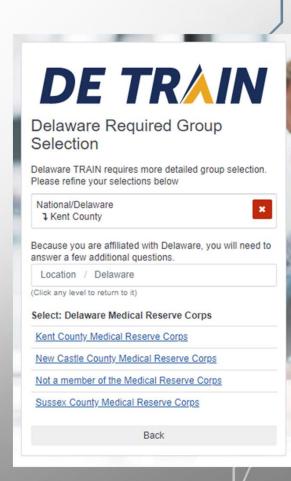

#### Step 3. > Account Creation

- Create your login name. Your login name must be unique (with letters and numbers only), and you must enter a minimum of four characters.
- Your password must contain at least six characters with at least one capital letter and one number.
- Now enter your work email address. If you don't have one, enter your school or personal email address.
- 4. Next, enter your first and last name.
- 5. Now select your time zone.
- Enter your work zip/postal code. If you don't have one, enter your school or personal zip/postal code instead.
- 7. The final process is to agree to all TRAIN policies. It is recommended that you read through the policies. Be mindful that you cannot use TRAIN until you agree to the policies.

After agreeing, click the 'Create Account' button to log into the TRAIN Learning Network!
