

Black Beauty Ranch internship program

THE HUMANE SOCIETY
OF THE UNITED STATES

Black Beauty Ranch is one of America's largest and most diverse animal sanctuaries. Part of the Humane Society of the United States and located in Murchison, Texas, the 1,400-acre sanctuary provides a permanent haven to over 600 domestic and exotic animals representing over 40 different species. Residents include tigers, bears, primates, kangaroos, bison, horses, farm animals and more.

Black Beauty Ranch offers internship opportunities for professionals looking to gain experience in the field of animal welfare. Interns will have the opportunity to gain valuable hands-on experience, knowledge about a variety of species and exposure to the operations of an animal care center while working alongside knowledgeable staff.

Internships are available quarterly (spring, summer, fall and winter) for 12-week sessions at 40 hours/week. These are **PAID** internships with **FREE** housing on-site.

Animal care internship: Based on need, interns will have the opportunity to work with our four animal care departments: farm, equine, primate and wildlife. You will work alongside staff and learn about the various species in our care, including equine, domestic farm animals, exotic hoofstock, primates, reptiles and more. You will assist in preparing diets and enrichment; feeding; cleaning habitats; and habitat maintenance, such as raking/mowing and other housekeeping tasks.

Veterinary technician internship: Interns will work alongside our veterinary team and assist in a variety of tasks, such as assisting with observing/monitoring animals; assisting with laboratory and other diagnostic tests; record-keeping; cleaning/prepping medial instruments, equipment and supplies; administering medical treatments following veterinary staff instructions; and completing other housekeeping tasks.
